

New Hampshire Association of Educational Office Professionals  
67th Annual NHAEOP Edith E. Hammond Conference  
“Let NHAEOP Light your Path”  
May 9, 2019

Deborah welcomed everyone to the conference, encouraging us to network with our colleagues. Our guest speakers will talk about mental health and trauma in schools and she encouraged us to share this information when we return to our school districts. As educational office professionals, we wear many hats that support students and staff daily. We don't realize that sometimes we also need to slow down to rejuvenate. Take time to laugh and relax, while here at the conference.

Pam Patnode, Immediate Past President, led us in the Pledge of Allegiance. Gretchen Roussin-Drost presented the Inspiration.

Deborah recognized the 2019-2021 officers who were installed last night because we had to cancel our Fall meeting twice due to snow.
