ARENA SAND

Available in Bulk & .5 yard Bagged

SKU: RN-SND

The following are our current inventory and pricing. We have our own processing plant and can meet any sieve requirements with notice.

SKU	Colors	Pallet/Ton	Uses
RN-SND	NA	Both	Universal Arena Usage

We offer even sized, washed concrete sand suitable for roundpens and horse arenas. It is a medium-sized, coarse sand that holds up well for most uses. Do not exceed 3 inches of sand in the arena or roundpen, and starting with a 2-inch lift is recommended to avoid injury to your horse. Heavy use can cause the sand to break down and become dusty, requiring new sand or squeegee.

Diameter of Round Pen Calculations

Depth In Inches	40 Feet Dia.	50 Feet Dia.	60 Feet Dia.
2	12.60 tons	19.70 tons	28.30 tons
3	18.90 tons	29.40 tons	42.49 tons
