

Note: This Document combines the Declarations of Protective Covenants of each of Deerwood III, IV, V, VI, VII and VIII, which together make up The Manors. Where each document listed a particular Deerwood subdivision, it has been replaced with "The Manors" for ease of reading where such language would apply to each subdivision. Where the document differs from the originals (or at least some of the originals), that change has been made more clear by the adding of "[]", and where language only applies to one or more particular subdivision, that has been made more clear by the adding of a note to that effect. This is not an official document, and has been prepared purely for ease of reference. In the event of any conflict, the official recorded Declarations of Protective Covenants for each applicable lot will govern.

The directors of the Association shall set the amount of the dues and the due date for payment of the dues.]

B. Notwithstanding the foregoing limitation on annual dues, the Directors of the Association shall be entitled to adjust said dues by increasing the same from time to time to cover the actual or anticipated costs of all fees and charges necessary to retain legal counsel in representing the Association for the purpose of enforcing these restrictions or to take such other action deemed necessary to retain the integrity of the standards established for The Manors.

C. In the event of failure of any lot owner to pay any assessment on or before thirty (30) days following notice to such owner of such assessment or the scheduled due date thereof, if later, then such assessment shall become delinquent and shall bear interest at the rate of nine (9 %) percent per annum from the due date thereof to the date of payment, and the Association shall have a lien on each lot against which such assessment is levied to secure payment thereof plus interest. It shall be the duty of the Association to bring suits to enforce such liens before the expiration thereof. The Association may, at its discretion, file certificates of nonpayment of assessments in the office of the Register of Deeds whenever any such assessments are delinquent. For each certificate so filed, the Association shall be entitled to collect from the owner or owners of the real property described therein a fee of Ten and 00/100 (\$10.00) Dollars, which fee is hereby declared to be a lien upon the real estate so described in said certificate. Such fee shall be collectible in the same manner as the original assessments provided for herein and in addition to the interest and principal due thereon.

- D. The liens herein provided shall be subject and subordinate to the lien of any valid mortgage or deed of trust now existing or which may hereafter be placed on said real property prior to the effective dates of such liens. In the event of the issuance of a deed pursuant to foreclosure of such mortgage or deed of trust or in lieu of foreclosure, the grantee of such deed shall take title free and clear from any liens herein provided which accrue prior to the recording of such deed.
- E. Such liens shall continue for a period of five (5) years from the date of delinquency and no longer, unless within such time suit shall have been filed for the collection of the assessment, in which case the lien shall continue until the termination of the suit and until the sale of the property under execution of the judgment in such suit.

B. Any such consents shall be effective only if expressed in a written instrument or instruments executed and acknowledged by each of the consenting owners and recorded in the Office of the Register of Deeds of Oakland County, Michigan; provided, however, that Article V hereof may be amended at any time in the manner therein set forth. A recordable certificate by an accredited abstractor or title guaranty company doing business in Oakland County, Michigan, as to the record ownership of said property shall be deemed conclusive evidence thereof with regard to compliance with the provisions of this Section. Upon and after the effective date of any such change or changes, it or they shall be binding upon all persons then owning property in The Manors and shall run with the land and bind all persons claiming by, through or under any one or more of them,

C. The members of the Association may not revoke, modify, amend or supplement, and may not release real property subject thereto from, the Covenants contained in Sections 4.6 [Deerwood III: [4.27]] [Deerwood IV: 4.7] and [4.29] except upon the prior written approval of The Charter Township of Independence.

6.4 Severability Clause. If a court of competent jurisdiction shall hold invalid or unenforceable any part of any Covenants or provisions contained in this Declaration, such holding shall not impair, invalidate or otherwise affect the remainder of this Declaration which shall remain in full force and effect.

6.5 Discharge Of Declarant. Declarant hereby reserves the right to vest the Association or any other not-for-profit corporation with all or any of the rights, privileges, easements, powers and duties retained or reserved by the Declarant by written instrument or instruments in the nature of an assignment which shall be effective when recorded in the Office of the Register of Deeds of Oakland County, Michigan, and Declarant shall thereupon be relieved and discharged from every duty so vested in the Association or in such other not-for-profit corporation.
