LETTER FROM THE PUBLISHER

Dear Readers,

The votes have been tallied! Lawyers Weekly readers have officially weighed in on which businesses they like most in Massachusetts based on their own experiences. The sixth issue of Reader Rankings offers a look at the companies and services that readers have rated highly across a wide range of categories. Massachusetts Lawyers

Weekly's 2022 Reader Rankings survey generated more than 11,000 votes in 67 categories, with ballots cast by more than 1,900 voters. We hope this helps you choose services that will allow you to run your practice more efficiently and effectively. We appreciate our readers' enthusiasm and the time they took to cast votes for the companies and services they feel best serve the local market. As promised, two people who voted, selected at random, will receive a gift card. Keep your eye on your mailbox! As you read the following pages, please consider participating in next year's survey to help us find the services that can make your business the best it can be.

Sincerely,

Susan A. Bocamazo, Esq.
