

So, so many freedom warriors/truthers Earthwide have been trying to get the truth out there for over the last 2 up to 20-30 years or more and it has worked!!! There must be at least several billion resonating with truth questioning, investigating, learning &/or presenting via 'public free speech' venues and alternative medias around the world the hard evidence unveiled contrary to what we have been told.

We are dealing with corruption, treason and murder committed by loyal order-followers and individuals occupying or recently resigned from a prominent position...all sellouts to humanity.

Of Great Importance To View Immediately...

Throughout 2021 & 2022 the Carona Investigative Committee based in Germany interviewed many conscious whistleblowers and experts in their field who cited and made available publicly clear and detailed hard evidence to back their claims of crimes being committed against humanity. One session provides extremely shocking micro and electron scopic views of what the covid viles contain. The post morton findings are equally terrifying. Every single fascit of the deadly covid measures and fraud was covered and every individual culpable identified.

"In the Middle Ages people believed that the earth was flat, for which they had at least the evidence of their senses: we believe it to be round, not because as many as one percent of us could give the physical reasons for so quaint a belief, but because modern science has convinced us that nothing that is obvious is true, and that everything that is magical, improbable, extraordinary, gigantic, microscopic, heartless or outrageous is 'scientific.'"
