

IF YOU'VE GOT THEM BY THE BALLS, THE HEARTS AND MINDS OF THE PUBLIC WILL FOLLOW.

Due to the matrix cabal “illegitimately” owning “the public’s” means of mass communicating free speech, verifiable facts and vital information, “their” media personality dogs are able to pump out spells (deceptions, double-speak and childish nonsense) on a daily basis. Other individuals in positions of TRUST to do NO HARM such as a department head, CEO, politician, priest, judge, doctor, scientist, royal, also cast spells. Due to the western education system, main-stream T.V. and radio broadcasts, compartmentalization and high degree of state regulation humanity today is dumbed-down. Critical thinking is frowned upon. Questioning the state’s or its science or his/her storical narratives makes you an enemy of the state! So devout statist not wanting to become it’s enemy ignore/deny/deflect any hard evidence presented that forces them to acknowledge the truth. The masses confined to their “intentional” spell-bound, dumb-down and nescience [not-knowing of Fundamental Truths/Knowledges] state are easy to perpetually fool, divide, be made to feel fearful, demoralized, confused, stressed and consume poor quality food, air, water and medicine, live in low quality housing & engage in movement and mind restrictive jobs year after year. No wonder we divisively war at home and socially.

Promoted as true, voters and party representatives continually support ‘falsified footage and reasons’ for international warring -resulting in more ‘needless deaths of innocent babies, children, mums & dads to occur-. Most adults remain unaware of, for example, our true his/her story, our true humanity, the true nature and shape of our world, Natural Law, that money is backed by thin air, who the ruling secret societies members and loyal order-followers are and how they rob their slave masses 24/7, drip-feed poisons into the air, soil, food and water, perform life-threatening vaccine concoction experiments on ill-informed populations, control the weather, keep hidden ‘technology improves each civilization uncovered underground’ & secretly conspire or assist implementing plans for Humanity and Earth that are insane, proceeding without delay and imminently close to completion.

WITH ALL SPELLS BROKEN, ALL the ENORMOUS PROFIT GENERATED, the REDUCTION OF OUR FREEDOM/RIGHTS, the FALSE REALITIES, IMMORAL & DIVISIVE BEHAVIORS, NEEDLESS DEATHS and CONTROL OVER ENERGY EXPENDITURE, HEARTS & MINDS DISAPPEAR.

Combine all the 24/7 spell-casting and theft from the public, the many still unquestionably following orders and views from mummy & daddy authority figures, the heavy decrease in freedoms & rights and the countless deadly-to-Humanity-&-Earth deeds committed by the ruling class and their loyal followers, “easily justifies” crashing the entire illegitimate matrix control system {‘its illegitimate’ education, political, monetary & military systems, rulers/controllers, loyal orderfollowers, corporations, legalese, contracts, beurocracy & ownership of land, human beings, modes of transport, roads & assets currently in place} -the root cause of all our problems. Doing so, emancipated adults everywhere would be able to directly assume personal responsibility for managing everything, finally end giving away his/her power to the enemy and actually hold the criminal one percent accountable (in our court houses) for their crimes against humanity.
