From the President

A Message from Your President

It's been approximately 30 days in office as your Moose president, and I want to extend my heartfelt thanks to everyone who has supported me in this new role. Your trust and confidence mean everything as we move forward together.

Moose International Convention

The Moose International Convention was absolutely awesome! The experience at Mooseheart was incredibly informative, and I'm grateful for all the insights and connections made during our time there. The knowledge shared and relationships built will undoubtedly benefit our entire organization.

Committee Leadership

We now have all our committee chairmen installed! Please help me welcome them all for stepping up and helping our lodge move forward. Their dedication and willingness to serve is what makes our Moose family strong.

Special Thanks to Our Volunteers

Thank you to all of the members that step up and volunteer at a moment's notice! Just like the ones who stepped up and put on our Memorial Day picnic. We appreciate everything that you have done to support the Moose and its fraternity. Your selfless service is what makes our lodge a welcoming place for all members.

Looking Ahead

As we continue into June, I'm committed to fostering the strong bonds that make our Moose family so special. Together, we'll build on our traditions while embracing new opportunities for growth and fellowship.

Thank you for your continued support.

Fraternally yours,

Mark P. Collins Sr.

WOTM

Welcome WOTM 2025-2026

“Ayyy” from the Bronz Fonz in Milwaukee and these lovely ladies pictured below. I just returned from my first Moose International Convention as well as a trip to Moose Heart Campus to attend some ceremonies, tour the campus, eat some lunch and collaborate with other members. It was a great opportunity to see how our donations support this Moose fraternal organization for children from infancy through high school. This fraternity provides children with a wholesome home-like environment and the best possible training and education.

During the convention, we were provided with alarming membership numbers for the WOTM chapters. In May 2024, membership total was 351,283. As of April 2025, the loss of WOTM membership has decreased to 196,278 a difference of 155,005 members. We will be offering another membership drive, details to be provided during our next membership meeting 17 June, make plans to attend.

We encourage everyone to sign up for text blast as well as become a member on Moose Family Center #1655 Internal Group where we post upcoming events, reminders, and request for volunteers. WOTM also has kitchen duty on the 2nd Friday of every month from 6-8 pm. We are always looking for volunteers to assist. Father’s Day is right around corner June 15th so why not take a chance and support our next fund raiser to raise funds to provide Free, Healthy,

Nutritious lunches and snacks for children in our local community while they are on summer break. Some lucky person will win a 22” Blackstone tail gaiting grill along with a meat basket or gift certificate from a local butcher. Tickets are 3 for \$5.00 and will be drawn 13 June after the WOTM Friday night dinner.

Nancy Darrow, Past Senior Regent presented Dylan and Ryleigh certificates of appreciation for volunteering throughout the year with our children’s event (Halloween, Christmas, Back to School, Easter etc) and other WOTM events. Everyone no matter the age, makes a difference in supporting our activities.

Dylan and Ryleigh presentation

Although Easter has passed, we wanted to thank everyone that that volunteered to assist us in the preparation of the Easter party for the children in April, filling eggs or preparing the crafts and snacks. With your help, the party was a success! Next Children’s event will be Back-to-School in July, volunteers always welcome!

This month is Higher Degrees – Academy of Friendship Committee project – Mooseheart Feed a Home in December.

Moose Legion

We had our first meeting for the Moose Legion Committee. I want to thank Tim Bliss for the many years of service he has provided the Moose Legion Committee. At this time I am looking for a new Secretary to take Tim's place and until that time I will fill-in a temporary Secretary. If anyone is interested please see me. The Moose Legion for Fredericksburg Moose Lodge 1655 is moving forward and will be giving back to the community and the lodge in the up coming year. President Randy Powers has many ideas for our future. Please come out for our meeting.

MEMBERSHIP

Good morning I am your new membership chairman. Any help you can give me would be greatly appreciated. So, far we are starting out the new fiscal year with a clean slate. Last fiscal year we were able to meet our plus 1. Congratulations to everyone who sponsored a member last year.

This year we are holding 2 incentives for our sponsors. For every new application you submit your name will be put into a drawing to win a life membership to the lodge. This will begin with June 1 and ending on Oct 31st. Drawing will be held in Nov 2025. Seems to be a short time for this, well here is an update, everyone who was entered for the Jun to Oct drawing their name will stay in the running for a second drawing ending Apr 30th 2026.

Nancy Darrow
Membership Chairperson

FELLOWSHIP - PILGRIM

Officially (1) one month into the new Moose year. School is out for the summer, and the Class of 2025 have received their diplomas. Congratulations to all of our members that had children, grandchildren, nieces, nephews, siblings, or other family members walk across that stage. What an accomplishment for them as well as for the parents. Whether they choose to attend traditional college, a trade school, enlist in the military, or just head straight into the work force, we wish them all the best.

Our next meeting will be Thursday 5 June 2025 at 7 pm in the hall. We do have a lot to discuss, so please all Fellows and Pilgrims plan to attend. Additionally, our next breakfast will be Sunday 8 June 2025 from 0800 to 1100 hours. We try to do our best to put out a good hot meal for your enjoyment. Chipped beef gravy, sausage gravy, biscuits, toast, sausage patties, sausage links, corned beef hash, ham, scrapple, home fries, bacon, pancakes, french toast, and eggs made your way are available as long as supplies last. Some things we can replenish, but things like gravy, scrapple, biscuits, and such we are limited to what we prepped. With that being said, we never know how many folks will be at breakfast. We try our best to play the balance game of having enough and not being wasteful. It's not an exact science, but we try our best.

Fraternally,

Tad E. Bliss

Fellowship/Pilgrim Committee Chairman

NOMINATION COMMITTEE

Attention Members of Moose Family Center 1655. We have a vacancy on the Board of Officers for the 2025/2026 Moose year. With that being said, a new Nominating Committee is being formed by President Mark Collins. The vacancy is for the position of Vice President. Once the Committee is formed and dates for interviews have been scheduled, then those members will be contacted, the dates will then be posted, and there will be the necessary forms available behind the bar in the social quarters. Please, if you are filling out the forms, be sure to write the date that you wish to be interviewed on the outside of the envelope. Only the position of Vice President is being considered.

Chapter 37 - Vice President Sec. 37.1 - Presiding Officer - They shall preside over the deliberations of the Lodge in the absence of the President. They shall perform all other duties required of them by the laws of The Moose.

In case of a vacancy in the office of President, they shall assume the office in an acting capacity, with full authority to perform the duties and the responsibilities until the vacancy is filled. Sec. 37.2 - Assist President - (A) For Lodges using Three Trustees - They shall assist the President in preserving order and decorum in the Lodge, and with the President, count all votes (not ballots).

Sec. 33.2 - Nominating Committee - A Nominating Committee shall consist of the eight (8) elective officers for Lodges with a full Board of Officers or six (6) officers for Lodges using only one (1) Trustee, five (5) Past Lodge Presidents (if the Lodge has so many available) in their order of juniority by service in that Lodge, and five (5) members of the Lodge appointed by the President, each of whom must be an appointed officer, committee chair or Past Lodge President (honorary or by service) of that Lodge. A larger Nominating Committee may be assembled when the Lodge deems it necessary for the good of the Lodge.

Sec. 33.5 - Eligibility of Officers - Only active Lodge members, who are also either active members of one of the men's higher degrees or a Women of the Moose unit (or establish such active membership within sixty (60) day following installation), may be considered for any elected office. Eligibility requirements for Lodge offices are as follows:

Vice President - Been an active member of the Lodge for at least six (6) months immediately preceding the date of election. Exemptions from these qualifications require a special dispensation from the Chief Compliance Officer. A special dispensation will only be granted in exceptional circumstances. These requirements shall not apply to a newly instituted Lodge. No member shall be eligible for election to more than one (1) office in the Lodge at the same time. A member removed from office by a Commissioner or the Chief Compliance Officer for disciplinary reasons or who resigned from office at the request of the Chief Compliance Officer shall not be eligible to hold office again for three (3) years unless a dispensation is obtained from the Chief Compliance

Officer. For prior violations of the General Laws, the Chief Compliance Officer may, in their discretion, prohibit any member from holding office. An officer, whose term will not expire at the time of the election, regular or special, can be nominated for another office, but they must resign their present office, thereby creating a vacancy, which shall be filled at the regular or special election. The resignation is automatic and effective on April 30 for a regular election or on the actual date of a special election. A member under suspension because of disciplinary charges preferred against them shall be eligible as a candidate for election to office if their dues are current and they are not otherwise disqualified. If found guilty of a charge affecting their membership, or if the member has been removed from office rendering them ineligible to hold office for three (3) years, the office shall be declared vacant and the Lodge shall proceed to fill the vacancy according to the provisions of Section

33.10

Sec. 33.7 - Campaigning for Office Prohibited - The printing, circulating or distribution of resolutions, letters, tickets, other written or printed matters, or through any electronic media by a member or anyone acting on their behalf, suggesting, recommending, opposing or containing the names of proposed candidates for office, is hereby prohibited. For any violation of this section, the Chief Compliance Officer may suspend the offending member or members, and in their judgment, may declare the election of such officer or officers void and order a new election. 5

Sec. 33.8 - Voting - Only active members physically present are eligible to vote for the election of officers. The candidate for each office receiving a majority (if there are two (2) candidates) or a plurality (three (3) or more candidates) of "yes" votes cast shall be declared elected. "No" votes are not counted. If there is only one (1) candidate for each office, the Lodge may dispense with the necessity of paper ballot and conduct the election by using the voting sign of The Moose. If the annual election of officers is to be by use of the voting sign, the Lodge must vote to approve this method at a general membership meeting prior to the election. At special elections, the members present and voting may unanimously select to use the voting sign but if a member objects, the Lodge must conduct the election by paper ballot. No absentee ballot, write-in ballot or proxy vote shall be allowed. A Lodge may by majority vote of the membership at a general meeting, conducted at least two (2) weeks prior to the election, decide to use the Australian ballot. If the Australian ballot is used and the election is contested and subsequently declared void by the Chief Compliance Officer, the Lodge shall thereafter be prohibited from using the Australian ballot unless the Chief Compliance Officer issues a special dispensation.

Sec. 33.11 – Special Elections - For vacancies occurring prior to November 1st. a special election shall be conducted. The Nominating Committee shall report all nominations at a regular meeting at least two weeks prior to the special election. All special elections must be conducted at a regular general membership meeting. The Australian Ballot is allowed if voted on by membership at least two weeks prior to the election. Lodges may use the Australian Ballot unless a previous election has been contested and subsequently ruled void by the

Chief Compliance Officer. Lodges shall have a sign in sheet and maintain this document as part of the Lodge meeting minutes.

If you are interested in putting your name in the hat, please understand all that is required of the position. If you are not sure of what those requirements are, please do not hesitate to contact myself or any Board member with any questions.

Fraternally,

Tad E. Bliss
