

Thank you, 2021!

So Many Blessings, and So Many More to Come

This year, we have been blessed by partnering with Mountair Church —not only by providing us with prayer, but a place to call home. In addition, we have acquired a storage house to help us rescue more food to serve more of God's children. What a blessing!

- ❖ This is God's doing. Without Him at the helm, we would not be able to achieve these remarkable feats this year. God has sent so many amazing people to our aid and even more for us to help. He is our director, leader, and helper. All the glory to God!
- ❖ Thank you to our donation stores. You have been faithful to us throughout COVID, and even when staffing was short, still found time to make sure our families are provided for. We couldn't accomplish any of this work without their support.
- ❖ A special thanks goes out to our faithful volunteers. Without you, we would not have the means to complete God's plan. You take time away from family and friends to serve others. It takes a village to keep things running smoothly — you guys are amazing!

That they do good, that they be rich in good works, ready to distribute, willing to communicate.

The Sandwich Group

Every week, this group makes 50-100 lunches, filled with sandwiches, snacks, and drinks, to benefit out seniors, motel families, and the homeless.

Brown Bag Kids Caravan

Tammy uses this van to bring kids to church every Sunday. In the summer, she plans to transport them to the pool! Thank you, Kelly Bruenger from the American Legion Post 22 Northglenn.

Neighborhood Drives

We were blessed this year by Washington Park UMC. The school children engineered a successful food drive for us.

Colorado Taekwondo hit it out the park this year, donating an extraordinary amount of nonperishables, toiletries and clothes.

THANKSGIVING WAS A HIT!

Denver Rescue Mission provided 135 turkeys for our families for our Saturday pantry.

Tammy's own neighborhood, Green Mountain Terrace, contributed as well, blessing 7 families with thanksgiving dinners!

Colorado Taekwondo provided our motel families this year with grocery gifts

- ❖ We were able to help several more families transition from the motels to an apartment and help fill their homes with nourishment and support. Thank you, Nancy from Reed St, for always taking a chance and helping others. We love you.
- ❖ We are extremely blessed to have met so many new families and develop relationships and friendships with families from Syria, Afghanistan, and many different regions from around the globe. We are continually eager to learn about their cultures and ways we can make them feel more at home.
- ❖ *Clothes To Kids* recently provided our children with school clothes, backpacks, and supplies. The kids love shopping there.

Our kids in transition were treated to a day at Boondocks Fun Center, compliments of the Ladies Auxiliary American Legion. In addition, each child also received a giant bag full of toys! Denver Rescue Mission provided toys which were delivered to Hometown Studio/i70 motels and the rest of our motels on Colfax.

When we missed out on Toys for Tots, but Colorado Taekwondo stepped up with some Christmas cheer, by donating all kinds of stuff for the kids, including McDonald's gift cards, new clothes, stocking stuffers, toys, etc... We appreciate all they have bestowed upon us and look forward to continuing this successful partnership in the new year!
