HOORAY 2022!

We are so happy to have made it through another year! We have been able to feed and support so many people within the community in 2022!

Approximately 7,540 families fed
Over 300,000 pounds of food disseminated
8,500 pounds of essential items dispersed

FOOD BANK OF THE ROCKIES

We established a partnership with Food Bank of the Rockies! This collaboration will enable us to ensure consistent access to staple foods and increase our distribution efforts!

VOLUNTEERS

We appreciate our devoted volunteers that have helped us achieve our success this year.

One of our goals in 2023 is to continue to grow our dedicated group of helpers!

HOLIDAY BLESSINGS!

We celebrated an incredibly successful Thanksgiving and Christmas this year. Special thanks to: Colorado TaeKwondo Institute, Denver Mint Police, Denver Rescue Mission, Jeffco Action Center, Food Bank of the Rockies, Green Mountain Terrace Neighborhood, Northglenn American Legion, Safeway, and Toys for Tots Aurora.

BOONDOCKS!

Thanks to the American Legion ladies Auxiliary - the kids had a blast at our annual Christmas trip to Boondocks this year.

They can't wait to go again next season!

HELLO 2023!

This year we will continue to serve the greatest needs of our community, including visiting our transitional housing families, resident Veterans, and seniors locations weekdays, with a food pantry held each Saturday at Mountair Church. You can stay up to date with the latest locations and special events on our Facebook page, "Brown Bag Ministries, Inc". Go visit our webpage, brownbagministries.org, where we will soon highlight a revolving "Getting to Know You" questionnaire focusing on our volunteers, key partners, and community members.

We look forward to exciting new opportunities in 2023!
