

Policy/ Procedure

Title: Requirement for Construction Contractors Bonding and Testing

Purpose: Clarification of Paragraph 4 of BSI Deed Restrictions on the need for construction contractors to submit a construction bond or be tested by the Burnt Store Isles Board of Directors.

Policy / Procedure:

The examination and licensing requirements of the City of Punta Gorda for contactors are sufficiently rigorous and therefore will no longer require a contractor to pass tests or to post a bond to gain approval of building plans in Burnt Store Isles.
