1. UPDATE – PUNTA GORDA POLICE DEPARTMENT (PGPD) -

- Lt. Davoult attended and reported on the following items:
 - The PGPD is finally at full staff with only two dispatch positions remaining open.
 - He reported an extremely successful holiday season with no major incidents. He noted that the December 2025 tree lighting had the largest attendance ever.
 - He shared that he is frequently informed after the fact of incidents in the BSI neighborhood and asked that each board member remind friends and neighbors to use the PGPD non-emergency number to report suspicious activity. His officers have a pattern of arriving very quickly and the only way to deal effectively with issues are to call quickly and catch perpetrators in the act. After the fact notifications are challenging, if not impossible to follow up on.

Vice President – Patricia Iorio – No Report

- She indicated that there has not been any new building or construction activity since the last board meeting. She did reiterate, as follow up to a question, that she had shared guidance with a potential new homeowner about running a business from a residence in BSI.

Secretary –Jan Draber – No Report

- Maureen has a credit card to be used for paying the shipping unit monthly charges and for paying for transactions at the shipping Post.

6. NEW BUSINESS - NONE

7 DIRECTORS' REPORTS

Community Standards – Kathy Martinelli

- Kathy shared that the year-end final report from the City of Punta Gorda noted a very successful year in terms of jointly dealing with standards issues. The city code enforcement representative reported that over 85 roofs were sufficiently cleaned or replaced.
- Kathy noted that she intends to complete a full review of BSIA homes by the end of January and the city continues to make regular visits to notate any items needing attention. It seems like there are regular challenges with homeowner trash barrels being exposed.
- Kathy reported that she is encouraged by the fact that she continues to receive applications related to standard changes for paint colors, new windows, generators, storm screens, etc. BSI homeowners seem to be respecting the deed restrictions, despite the current legal status of the document.

E-Communication – Polly Green

- Polly reported that she recently sent a list to all board members identifying the 189 members who as of today have not renewed their BSIA membership for 2026. She asked for the Board's assistance in identifying individuals who have moved out of the area or are no longer with us. She would like that information as soon as possible as she intends to send individualized blast emails to the names on the list, reminding them they still have an opportunity to renew.
- Polly will also include biographical information and pictures of the two new board members – Legal Liaison (Bernard Fineman) and Treasurer (Maureen Martin).
- She will also add a reminder (to be written by Dave Elkins) about using the non-emergency PGPD number to report issues in the neighborhood.

Legal Liaison – Brian Bender

- Brian's first action was to introduce Bernard Fineman as the new Legal Liaison to the BSIA board. Bernie has lived in the area since 2022 and has previously served on an HOA. He indicated he is excited for the opportunity to assist the board going forward.
- Mr. Fineman was formally presented as the Legal Liaison candidate. Brian Bender motioned and Wendy Brandt seconded the motion to approve his nomination as is required by the by-laws. Motion passed. As previously mentioned, Brian will continue to stay connected to the deed restriction appeal case until it reaches a conclusion.

Membership – Wendy Heath Brandt

- Consistent with Polly's report listing the 89 members who have not renewed, Wendy reported the official membership stands at 301. She noted 11 new members have signed up for 2026 which is an encouraging number.

Neighborhood Security – David Elkins

- Dave reiterated the point made by Lt. Davoult that BSI homeowners should contact the non-emergency PGPD number for assistance. He regularly receives calls and complaints from homeowners about intruders, issues with their boars and property, etc. and Dave is not in a position to assist or do anything to help resolve these situations.

Social – Tracy Sage

- Tracy reported that the annual Christmas party was a big success, including that she received many positive comments about the entertainment and the food.
- She mentioned the upcoming mixer this evening.
- She noted that there are 12 volunteers signed up to help with the neighborhood clean-up scheduled for this coming Saturday, January 10th along the 41-corridor adjacent to BSI. Lack of volunteers could possibly be attributed to the date being so soon after the holiday season.
- She also reported that the Glo-Ride was very popular and she received lots of good feedback about the event.
- Her next task will be to work on publicizing the upcoming yard sale in the neighborhood planned for February.

Special Projects – Connie Higgins

- Connie proudly noted that she received a sponsor for Shredder Day coming up in April 2026. The Andre Group from Harbor Realty generously donated \$300 as our major sponsor, making up for the anticipated budget deficit. Connie will begin to work on the planned showcasing of the Andre Group's sponsorship. We are all very grateful for their donation.

Community Relations– Bill Courtney - No Report

Past President – Bill Page

- As he previously committed, Bill maintains his role in the deed restriction case and as such participated with Brian Bender in reiterating the current status of the appeal. We are currently awaiting a reply from the other party (deadline extension granted to 2/16/2026).

8 PUBLISHER REPORTS

Newsletter (published once a year) - Diane Peterson – No Report

Directory – Diane Peterson – No Report

Advertising Sales - Dave Elkins

- Dave indicated he is hoping to generate some new advertising income. He is reaching out to his contacts regarding online opportunities associated with our electronic newsletters and he is also reinforcing ad opportunities associated with the production of the annual directory.

9 GUEST /MEMBER COMMENTS OR ISSUES

- Mr. Fritz posed a question about the effective date of the expired deed restrictions in the

context of a possible effort to reinstate.
