

BSIA first annual Glo Ride was a great success, we had over 50 riders and I can say everyone had a great time. I want to give a big thanks to **Griff and Kim Burgh** for the wonder hot spiced cider, that was a nice treat to start ride; **Steve Stankiewicz** and **Gary Lekki** for being our crossing guards and securing our safety during the ride. Also, to **Su Miscia** for arranging the destination party at the Mondovi pool pavilion. This ride could not have happened without all the riders who decked out their bike with lights and Christmas cheer. A very special thanks goes to Santa and Mrs. Clause; **Ruth Schneider** and **Rudy Platzer**, it's never a parade without Santa! I hope you enjoy the pictures, planning for the 2<sup>nd</sup> annual BSIA Glo Ride is already underway.
