## Targeting Hindu Festivals

## Targeting Hindu Scriptures

**Rutgers University, Audrey Truschke, Historian, protected under Academic freedom & spewing venom against Hindus (American Institute of Pakistan Studies (AIPS))**

support nonviolent resistance to colonial oppression. In the *Mahabharata's* plot, however, the *Bhagavadgita* rationalises mass slaughter.

What is the point of ruling when you got there only through deceit, sin and death?

# NEXUS OF GLOBAL PROPAGANDA BUILDING FALSE NARRATIVE

**"Justin Trudeau" supporting Farmers protest.**  
Canada has always challenged trade & farm subsidies at WTO & objected to MSP.

**"Rihanna" supporting Farmers protest.**  
US disagrees to Indian MSP system, accuses India in WTO for under reporting of subsidy.

**"Greta Thunberg" supporting Farmers protest.**  
There is no MSP system in Sweden. Agriculture fully controlled by Private companies.

**ANTI-CAA DELHI RIOTERS** **ANTI FARM-BILL RIOTERS**

**NO DIFFERENCE**

**Farm Bill:**  
Frees the Farmer  
Sell in any market  
Eliminates middleman  
Direct Payment

Does United States have middleman for farmers? Is Govt. being the 'brokerage' for the farmers?

Why is it a Sikh issue?  
Why is it a Punjab issue?
