

EVERLONG VIZSLAS PUPPY QUESTIONNAIRE

We are excited to get to know our potential puppy families! We are passionate about the promotion and preservation of the breed we love. Please tell us about yourselves so we can help you understand any challenges you could have adding a Vizsla puppy to your family and formulate a plan to help you achieve your goals in a way that works for you and your Vizsla. We have a huge desire and responsibility to make sure our puppies succeed in their new homes. Please don't feel intimidated by our inquiry. We know exceptional puppy homes do not have perfect answers to these questions. We care a great deal about your dedication to your future Vizsla and how you will overcome or adapt to the challenges presented by the addition of a Vizsla puppy to your household. We hope this application also helps you come up with more questions for us!
