## Virtual Planning...

How does it work?

Visit our website to download our Virtual Questionnaire & FAQ. Or call, text, or email us and we will send you a questionnaire & FAQ Page - fill it out, return it, and we will contact you to schedule your Initial Virtual Consult (up to 30 min)

1. During your consult we will go over our services, what you need and want, and any other info about pricing and what we can do for you!
2. We will send over a contract to sign with YOUR chosen level of service outlined & detailed.
3. Once we receive the contract and down payment from you, we will schedule your online dates for each of the sessions you agreed to.
4. We will send you a detailed summary after each video consult with a customized task list for you to complete prior to our next consult.
5. We send you various planning templates, guides, and other helpful information periodically as agreed upon in contract to assist you with your planning, and give you pro advice & guidance.
6. You will deal with 1 certified planner only during your entire process. Other professionals may be brought in or consulted for advice in other areas based on your needs.
