Community Initiatives and Partnerships

Queening in MY Purpose is committed to enhancing our annual "Adopt A Senior Program & Q.i.M.P. San Antonio Community Scholarship" in 2022. Q.i.M.P. has partnered with "The Big Give" to help bring awareness to our program and scholarship. Your donations will help Q.i.M.P. make a bigger impact in 2022, we're thankful in advance for your support.

Q.i.M.P. has taken the initiative to partner with San Antonio High Schools early on in the year to bring awareness to our program. Together, we can spread the word to parents of 2022 High School Seniors about available resources and scholarships. We're grateful for the support we have received in 2020-2021 and can't wait to continue pouring into our community and youth. *TOGETHER we are better, TOGETHER we can.*

Adopt A Senior Program San Antonio & Q.i.M.P. San Antonio Community Scholarship (2022)

Founder of the San Antonio Chapter: Sierra Parker

The Adopt A Senior Program (est. 05/2020) is a program that provides a platform for the community to celebrate graduating seniors of the current year. Q.i.M.P. has created a public Facebook group called "[Adopt a Senior Program San Antonio Edition](#)" which is open to community members. Parents are able to share their seniors story and allow a member of the community to take part in celebrating their senior. This program uplifts seniors spirits and makes them feel VERY proud to have a stranger take the time to celebrate them.

Q.i.M.P. also offers a "**Q.i.M.P. San Antonio Community Scholarship**" that is open to all High School Seniors to apply September 1st of every school year. The awarded seniors will be announced in May of the following year. We're grateful for the support we have received from San Antonio and surrounding cities.

Thank you KENS5 and Univision News for helping us spread the word and supporting the cause, TOGETHER we can!

Wow, 35! I don't know what I expected when I got here, but HERE IT IS! I can honestly say I'm the happiest, smartest and most fulfilled than I've ever been in my entire life. It's taken every life experience, heartache and heartbreak up to this point to make me, MOLD ME, and GROW me into the woman I am today. Life has taught me VALUABLE lessons that are irreplaceable and how THANKFUL I am for all of them. Queening in MY Purpose is my LIFES WORK, MY DREAM and CALLING on my life. It's my JOB to help women and girls KNOW and UNDERSTAND their VALUE and THEIR WORTH! Social Media, TV, Celebrities would have you believe that it takes you behaving a certain way or dressing a certain way to have what you want in life or to attract who can give you the things you want in life. I BEG OF YOU to know better. I lay my life out for you to understand that GOD, DEDICATION, HARD WORK & PURPOSE will provide a life that MONEY can not buy, one that is PRICELESS. I'm grateful for every woman that I have had the privilege to meet, mentor, share, and be a shoulder to lean on.

God is STILL working on me, can you even believe that?? How BLESSED am I, that after 35 years HE IS STILL taking the time to work on this old rag. My, My, My what a mighty God WE serve. Here are some things that have kept me along the way: BE KIND and give respect to people, whether the Janitor or the CEO show gratitude and care. SMILE often, it's ABSOLUTELY FREE to smile and to make someone else smile, I do it all the time. Whatever you have to give, GIVE IT, God will bless you 10 fold. Don't share with the world when you bless someone, just do good and good will come. Take time to HEAL your brokenness so you don't bleed on people that didn't cut you. CRY as much as you need to, those tears are a RELEASE and therapy that you didn't even realize you needed. Take TIME with your family, friends, loved ones and more than anything your children. I'm STILL learning this as I am a workaholic. Ask God FIRST about everything you do, TRUST the energy that people give you and NEVER stop choosing you.

Cheers to 35 years of LIVING, LEARNING and LOVING!

Sierra Parker
