

“Camping, dancing, and friendship – one weekend at a time in Alabama and surrounding states”

WHO WE ARE

National Square Dance Campers Association (NSDCA) Alabama Campers and Dancers Chapter #152

The NSDCA is a volunteer organization devoted to advancement of camping & square dancing. Membership enables connection with a network of campers & dancers nationwide. Every summer, member chapters gather from across the USA and Canada for a three-day Camporee. Complete information is available on the website nsdca.org.

Alabama Campers & Dancers #152 is a chapter of the NSDCA, a member of the Alabama Square and Round Dance Association (ASARDA), and the Birmingham Square & Round Dance Association (BSDA). For the past 40 years our club members have camped & danced all over the southeast, building friendships & memories. Membership is open to anyone who has completed a course in square dancing & camps in a trailer, motorhome, tent, or other vehicle. Our monthly campout schedule is published in the quarterly NSDCA Times, posted on the NSDCA website, & our webpage. Follow us on Facebook to see photos & information about club events.

Visitors are welcome at all campouts and club activities.
