

Risk Assessment Form

Riding a motorcycle involves risk. Risk is subjective. How much risk a person is willing to accept varies from person to person. Some people may perceive something to be risky while others do not. Assess your risk before class starts. See if it changes during the course of the class and after the course.

Name _____ Date _____

Rate on a scale of 1 (low) to 10 (high) your level of:

1. Motorcycling Knowledge:
2. Motorcycling Skill:
3. Perceptual ability in traffic (the ability to notice things ahead of time):
4. Degree of cooperation in traffic (how well you interact with other roadway users):
5. Likelihood of being in a crash (the belief that it won't happen to me):
6. Emotional commitment to safe riding:

 **IMPORTANT:** Bring this form with you for the riding exercises. You will not be able to take the Skill Test without this form.
