## 2. How to find a provider

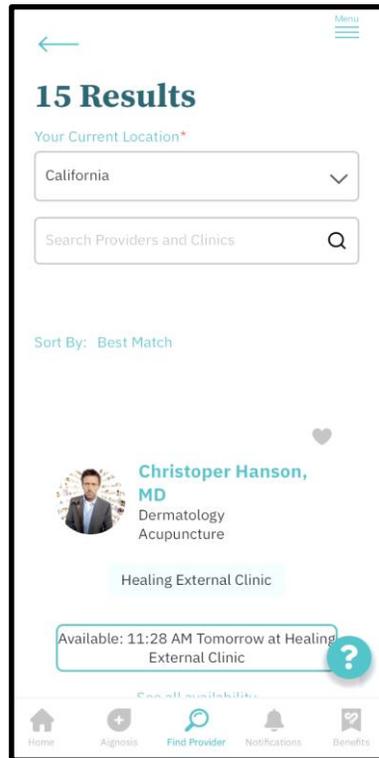

2.1 From your dashboard view click on FIND PROVIDER from the bottom menu.

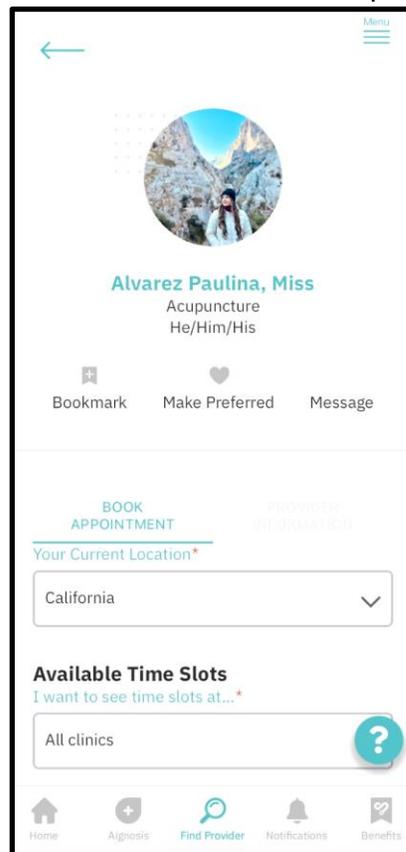

2.2 On the next view select your state "California", select the [Search] button.

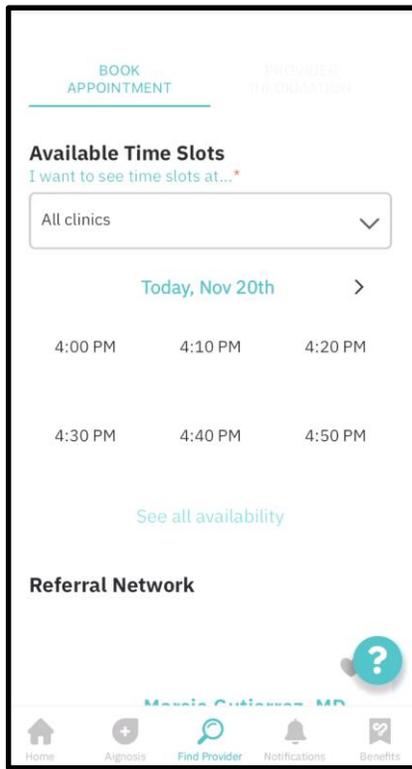

2.3 After scroll down select the provider you want to use for the appointment and click on the desired Provider.

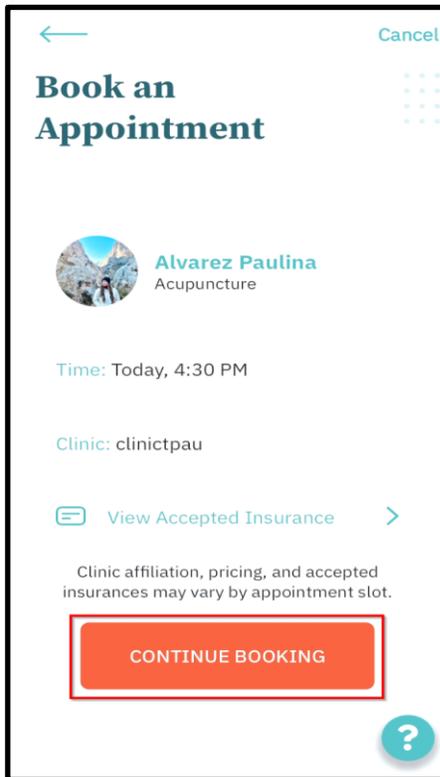

2.4 Once on the provider profile select the one of the clinics to see provider's availability.

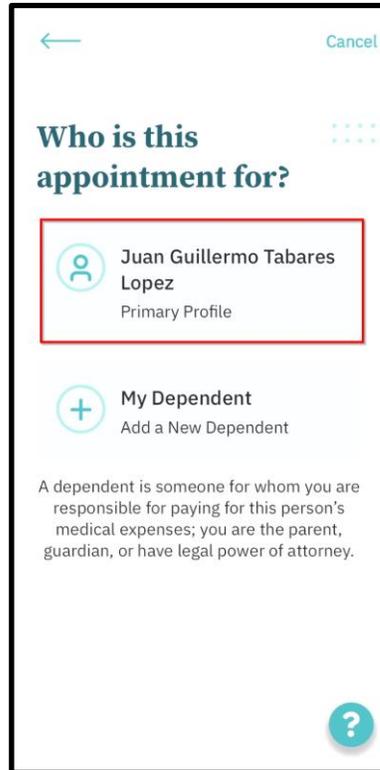

2.5 Scroll down to see the Available Time Slots, select one to continue with the booking process.

2.6 Select the day and time for the Appointment. Select the [Continue Booking] button.

2.7 Select the patient for the appointment and continue with the following steps

## How to contact support
