

2018 Jack Grinold/Eastern Massachusetts Chapter of the National Football Foundation Weekly Gold Helmet Award Selection Information

For the fourth year, the Jack Grinold/Eastern Massachusetts Chapter of the National Football Foundation has once again graciously agreed to serve as the sponsor of the weekly Gold Helmet Awards, which are presented to the Division I (FBS and FCS) and II/III football players who have established themselves for outstanding contributions to their teams on the given week.

Roger Crosley and Tim Williamson will be coordinating the procedure. You should address your questions or concerns to either or Roger (603-247-0471; newenglandfootballwriters@gmail.com) or Tim (617-495-7687 or twilliam@fas.harvard.edu).

As has been the case in the past, two awards will be presented each week—one each for university division (I-FBS/FCS) and for college division (II & III).

The selection process will remain the same. SIDs with worthy candidates should contact the appropriate person between 9:00 a.m. and 11:00 a.m. on Sunday. The selector will then contact Crosley on Sunday with his/her selections. Please give the selector all of the information about the performance and the exact name you want on the plaque.

Some selectors listed below may prefer not to receive nominations from SIDs.

The weekly recipients will be honored Wednesdays at 11:45 a.m. at the weekly New England Football Writers' Luncheon at Dillon Field House at Harvard. The cost to attend the luncheon is \$20 per person. The first luncheon will be held on Wednesday, September 5th with the players from the previous week's games (Week of September 1st) honored. We will award the Gold Helmets for each week through games of November 17th, although the final luncheon will be held Wednesday, November 14th. In addition, there will be two seasonal winners that will be recognized at the year-end Annual Captains and Awards Banquet on a date and at a site yet to be determined.

For questions about parking and attendance at the weekly functions, contact Tim Williamson at Harvard at 617-495-7687 or twilliam@fas.harvard.edu.
