

**PROSPECTUS**  
**Spiritual Body Contest**

Event Date: July 1, 2022

Deadline to Submit: Ongoing

This event is part of Gulfport's Second Annual Body Beautiful Art Walk

It is said within the ONE body, we are all made up of multiple bodies: the physical, emotional, mental and spiritual or vibrational bodies. **In this prospectus we invite you to explore the Spiritual Body.**

Do you relate to the god/goddess imagery? Do you have a spirit guide leading you through this physical experience? How do you carry your spiritual body in this world? What do you think the role of the spiritual body is? How do you express it and how do you see others express it? Why do we have one, what is its purpose? Maybe you do not believe in this body, what are your thoughts & feelings, how do you express this?

***Create an art piece that expresses this exploration of the spiritual body. Be free, have fun and enjoy this exploration. Art is a language that reaches beyond the mind, into the heart. We want to see your ideas manifested in your artwork.***

Open our minds, free our hearts, expand our consciousness and let us grow together as we all explore the many layers of this Body Beautiful!
