### Questions to Ask

- Grandparents Sat?
- Are Bridesmaids/Groomsmen Walking Together or Separate?
- Guys Entering from Back or Side?
- Mother's Escort?
- Kids Standing or Sitting During Ceremony

### 4T Notes

- Be sure each person/couple pauses after walking through the antique doors for a photo opportunity for 2-3 seconds. Ensure they are THROUGH the door so there is no shadows on their faces.
- Space Grandparent and Parents to first haybale on dance floor before next person walks.
- Space bridal party to chandelier before next person walks.
- Allow time for 4T Coordinator to straighten bride's dress before she walks down the aisle.
