WALLEYE SEARCHERS JUNE NEWSLETTER

Membership Notes

Our 40th annual LPO was held on April 25th & 26th. We were permitted from the MN DNR for 50 boats and had 48 boats registered. The Byron fishing team helped us each day and were incredible to work with. Many thanks to the kids, young adults and parents that came twice each day to help set up and run the event!

Day one had 96 anglers with 127 fish caught for a total of 333.11 pounds. Day two recorded 110 fish caught for a total of 304.36 pounds.

Things ran very smooth and we wish to thank everyone that helped with this event.

Our current board members are:

- President- Kevin Valento
- Vice President- Tom Klinkhammer
- Treasurer- Jeff Stokfisz
- Secretary- Steve Iverson

Membership Notes Cont.

The MWC was held on May 8th & 9th on the Mississippi River with several club members competing in this event.

Our annual Take A Vet fishing event will be held on Saturday Aug 15th, 2026, at the Coville park in Red Wing, MN. This is very worthy cause for the men and women whose dedication to this country's freedom gives us the liberties we enjoy. Please consider signing up to help at this event in Aug. This is a very worthy event that takes a lot of manpower to pull off. It is also one of the last chances to earn volunteer points to be eligible to fish the Volunteer Tournament.

WTF Where's the Fish

By most reports the bite has been tough, although some anglers have been able to put together a system that produces fish. Live bait seems to be outproducing cranks at the present time but as water warms we hope the bite improves.
