

EQUINE GROOM SCHOOL

A Court-Focused Diversion Alternative

THE PROBLEM

Each year, courts face mounting pressure to reduce jail populations while ensuring public safety and holding justice-involved individuals accountable. Traditional incarceration is costly and does not reduce recidivism. Participants need meaningful employment pathways and skill-building opportunities that restore them to the community as productive citizens.

WHO WE SERVE

Target Population:

- Nonviolent first-time and repeat offenders
- Ages 18+ (adaptable to any adult participants that may desire to work with horses)
- Referred at pre-trial, pre-disposition, or sentence-modification stages
- Individuals motivated for work and skill development
- No active substance abuse, Medical Card Ok; willing to address treatment if needed

Referral Points: Pre-charge, pre-trial, deferred prosecution, probation alternative, sentence reduction

HOW IT WORKS

Diversion Pathway:

1. **Court Referral:** Judge orders participant into Equine Groom School in lieu of incarceration or adjudication
 2. **Assessment & Intake:** Health/safety screening, skill level assessment, goal-setting, and Cohort Prep.
 3. **Hands-On Training:** Intensive grooming, horse care, facility management, safety protocols, farm management, horse management.
 4. **Mentorship:** Daily supervision by certified and licensed professionals (non-clinical).
 5. **Completion & Success:** Certificate earned; job placement support within equine industry or adjacent fields is tracked.
