OUR PILLARS

PROFESSIONALISM

Our brothers are able to participate in corporate sponsored events, prepare for case competitions, and sharpen their professional skills throughout pledge ship and our networking events.

BROTHERHOOD

Find your family in PCT! Our medium size fraternity gives pledges the opportunities to talk to every single one of our actives throughout pledgeship. Create memories and friendships that will stay with you throughout college!

DIVERSITY

Our brothers are from all around the world, and represent a multitude of cultures. Outside of Kelley, our actives also represent the O'Neill School of Public and Environmental Affairs, HLS School of Global and International Affairs, Jacobs School of Music, Luddy School of Informatics, Computing, and Engineering, and College of Arts and Science.

LEADERSHIP

Actives are able to be as involved as they want in PCT. Leadership opportunities are introduced in pledgeship, and the majority of actives find themselves continuing to hold leadership positions after pledgeship.

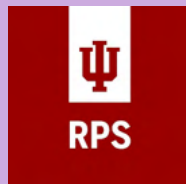

PHILANTHROPY

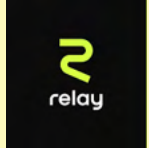

Being a part of PCT means giving back to the community. We partner with Big Brothers Big Sisters, and frequently have philanthropic events to stay connected to the city of Bloomington.
