

Faith In God Missions

January 2026

Mexico Church Dedication: We were blessed to be able to dedicate this church while on our mission trip to Mexico. This church could not hold the people that were coming and God provided the land adjacent to the church for an addition. Our missionary has worked hard and so many of you have prayed and sent funds to have this church addition completed. God is doing a great work in this village and we are so grateful for the opportunity to have service in this church and dedicate this addition to the Lord.

Well in Africa Completed: Praise the Lord for another well completed in Africa! This makes 34 wells that have been completed in Africa since 2020. To God be the glory! Our missionary is so very grateful to the Lord and to all of you for your generosity and prayers.

The children so excited for water in their village. This little boy drinking right out of his bucket!

Steve and I deeply appreciate your prayers and support of Faith In God Missions! We could not do this work without you! As we look back on 2025, we are thankful and humbled by all God has done through Faith In God Missions and filled with anticipation to see what He has in store for 2026.

Thank you all for your faithful prayers and support of this ministry!
Praying For You,
