## Happy Independence Day!!!

"God bless America, land that I love  
Stand beside her and guide her  
Through the night with the light from above."

We are so blessed to live in a country where servicemen have fought and died to defend our constitution and the freedoms provided to us and those who continue in service to protect our country and our freedoms today. I pray that we as Christians will take seriously the Words of scripture in 1 Timothy 2:1-2 where we read, "I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. Commit today to praying fervently for those in service to our country, our president, vice president and all governing authorities.

## Drilling Well #3 In Africa!!!

Through your faithful prayers and support, in the last 8 months, we have been able to drill 2 wells in Africa and we are so thrilled that work on the 3<sup>rd</sup> well has begun! The chief of this village in Africa came to our missionary begging for a well. The people had been praying and fasting, asking God to send water to their village. We are so humbled that we are able to be a part of God's answer to their prayers and excited to share with you the progress being made on this 3<sup>rd</sup> well in a new village! The words of Scripture are a constant reminder to us, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" Matthew 25:40.

The site has been surveyed; the paperwork has been completed the drilling has begun! It won't be long until the well will be completed and the people in this village will have clean water and will hear the message of Jesus Christ! They are eagerly waiting, watching with empty bowls in hand anticipating the blessing

this water will be to their village. The need is great, will you pray and seek God in partnering with us to provide clean water to these villages in Africa and Haiti?

Thank you all for your faithful prayers and support of this ministry!
