## Looking Ahead...Mission Goals for 2023...

We wanted to share with you this month a list of mission goals. With a humble heart, we have prayerfully considered these goals, recognizing the words of Psalm 127, "Except the Lord build the house, they labour in vain that build it...". With great anticipation, we are excited for all the Lord will accomplish through His people this year.

**Drilling Wells:** In 2022, 10 wells were completed providing clean drinking water to many different villages. We are so grateful for your prayers and support in this endeavor! Our goal is to exceed that number in 2023!

**Complete Mountain Church:** The church started last year in the mountains of Mexico is almost complete, only lacking windows and doors. The people are having services at the church, and we are looking forward to its completion!

**Church Expansion:** One of our churches in Mexico has outgrown its building. The property adjacent to this church is for sale and we are praying for the funds to purchase the property and build on to this overflowing church!

**Orphanages:** We are always working to do more for the children in orphanages. Even in the midst of such violence and unrest, we are thankful for the open doors God provided last year to help the children in Haiti.

**Building a Kitchen Facility:** Building has begun on adding a kitchen facility to one of our churches in Mexico. There is a great need in this village and this facility will serve as a place for people to have a warm meal, given food to take with them and hear the Gospel of Jesus Christ.

**Church Benches:** Many of our churches in Mexico need benches. We are thankful for our missionary who builds these benches and takes them across the border to assemble them in the churches. Our prayer is for each of these new church buildings to have benches this year.

**Souls Saved:** Above all, that many would believe on the Lord Jesus Christ and be saved!

We are so appreciative of all who had a part in the children's gift bags! If you or your church would like to be a part of making gift bags this year, we have included a list of items for the bags. All bags need to be in our office by October 1<sup>st</sup>.

Thank you all for your faithful prayers and support of this ministry!  
Praying For You,
