

Faith In God Missions

March 2026

"This is the day which the Lord hath made; we will rejoice and be glad in it" (Psalm 118:24).

GOD IS GOOD: Extreme cold, ice, snow, rain, sunshine, wind...God is in control of it all! We have heard from many of you over the past month checking in on us from the different winter storms that have come through our area. We are good here, thankful for God's protection and the power staying on through the storms! Thank you all for your prayers for us!

Testimony: Look at that smile! Francisco received Christ at one of our services in Mexico in 2023. We saw him last November and he is still smiling and serving the Lord!

We wanted to share his testimony with you: *"While Bro. Steve was preaching on repentance, I felt like I was going to die. My heart was pounding, but I just sat there and would not move. The next day, Bro. Steve again was preaching on repentance. Again, I thought I was going to die. I could not wait for the altar call. I ran down the aisle and Jesus saved me! I was out in the world, drinking, drugs, I had lost my job, lost my family, lost everything I had because of my addiction. Today, I rejoice because of what God has done and is doing in my life."*

We were so blessed to be able to see what God is doing in Francisco's life and praising God with him for the gift of salvation! It is only through Jesus Christ that the chains of sin can be broken. "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (2 Corinthians 5:17).

Thank you all for your faithful prayers and financial support of this ministry!
