

Faith In God Missions

October 2026

This year is flying by us! It has been a busy year for Steve and I and now we are in October getting ready to leave for the mission field. But God is good and gives us the strength we need to continue on!

We deeply appreciate everyone who has sent in funds and items for the kitchen supplies and mission bags for the kids this year! Your hard work and generosity will be such a blessing to our missionaries. It is always such a joyful time watching the kids look through their bags and seeing the smiles on their face! This month we will be organizing, loading the van and trailer with kitchen supplies, mission bags and blankets and getting ready to leave on our trip to Mexico. Please keep us in prayer as we prepare and safety as we travel. Pray for the church services we will have, as the Lord works ahead of us and prepares the hearts of those that will hear the Gospel of Jesus Christ.

Haiti: I'm sure many have heard of the violence that has been in Haiti for the last several years. Just recently, on a Sunday in August, 47 people were killed in a massacre and more than 50 were kidnapped by the gangs. Haiti, the people, and the missionaries there desperately need your prayers. The missionaries are working hard, trying to provide food, medical care, a safe place for children and widows, wells for clean water, education for the children, and sharing the only Hope we have in this world, Jesus Christ. Please continue to pray for Haiti!
