

Faith In God Missions

Natural Disasters: We want to thank you all for your faithful support of the ministry that allows us to take quick action when floods, tornadoes and hurricanes sweep through the country. Because of your generosity, we were able to send funds for food, water, cleaning supplies, blankets, and hygiene items to those impacted by the recent flooding in Kentucky and Virginia. Thank you for your help in reaching those who are hurting with the love of Jesus!

Haiti: Please continue to pray for the country of Haiti and our missionaries there. The gangs are at war with each other and the result is great violence and kidnappings. Our missionaries are asking for prayers. Many missionaries are leaving the country because of the violence. Please pray for wisdom and God's protection for these men and their families as they continue to labor for the Lord in the midst of such great hostility. They are risking their lives each and every time they leave the safety of their compound but they are faithful in their call to reach those in their village with the Gospel of Jesus Christ.

Thanksgiving and Christmas Blessings: It's hard to believe it is September already! We are in full swing preparing for our trip to the Texas/Mexico border, the special Thanksgiving and Christmas meals to feed 15,000 people, purchasing blankets and the gift bags and toys for the children for Christmas. This is our busiest time of the year and we are so excited to see all God has in store! So many of you, each season, partner with us to make this a special time for those on the mission field. We are asking once again for your help. Please pray and ask God how you can be a part of the Thanksgiving and Christmas Blessings this year!
