

## **NPL, SAP and Divisional Coaches**

Western Pride FC are currently seeking applications to fill NPL, SAP and Divisional Coaching positions.

This is a casual opportunity of up to 14 hours per week from January – October – working three afternoons per week (Monday-Thursday) plus one game on the weekend.

Western Pride FC is based in Ipswich, with fields in Flinders View and Springfield. We provide football development pathways for children and young adults throughout the Western corridor of Brisbane and Ipswich. Our aim is to compete at the highest level of football in Brisbane and Queensland, becoming the club of choice for aspiring footballers. We need the highest quality coaches to achieve this aim.

The primary purpose of these positions is to cater for Western Pride FC's Academy Program. As such, the successful candidate will plan and implement high quality coaching, training and mentoring for identified 9-16 year old male and female players.

The successful candidate's duties and responsibilities will include, but are not limited to:

- Design, deliver and regularly evaluate a training program aligned to the club's curriculum, with weekly sessions
- Conduct competitive trial process, managed at a club level
- Maintain regular and effective communication with players, including detailed records and assessments of player performance both in training and at matches
- Maintain strong relationships with Technical Director, Football Operations Manager and SAP Coordinator
- Support relationships with schools and school sports associations
- Adhere to delivering excellent customer service in a family friendly environment
- Attend any club based Events and support the planning/preparation of these events

All appointed coaches will have access to a highly specialised football curriculum, led by an experienced and successful Technical Director.

### **Our ideal candidate will possess the following:**

- Current FFA/AFC 'C' Youth Licence or current UEFA equivalent for SAP and Divisional coaches
- Current FFA/AFC 'C' Senior Licence or current UEFA equivalent for NPL coaches
- Must have a current Working With Children Blue Card
- Proven experience of working with players aged 9-16
- Exceptional Technical Football ability with experience as a football player
- Thorough knowledge and understanding of delivering insightful feedback to individual players and the team as a whole to ensure a trajectory of sustained improvement
- Proven leadership and decision-making capability, excellent interpersonal and communication skills and sound organisational and planning skills, complemented by attention to detail
- A passion for sporting achievement and a personal commitment to excellence
- A commitment to contribute to the development of the Western Pride family culture
- An ability to work collaboratively with other coaches and support staff to ensure sustainable capability development

### **Key Relationships:**

- Western Pride FC Technical Director
- Western Pride FC Football Operations Manager
- Host Club/Venue Management
- Western Pride FC Admin Staff/Volunteers

### **Remuneration**

Remuneration will be discussed with successful applicant at the time of employment. The remuneration will consider travel time, time spent on administrative tasks and set up time.

### **How to Apply**

Please provide:

- A detailed professional CV outlining experience and skills, including 3 referees
- A cover letter detailing suitability for the position

Applications can be sent directly to Western Pride Football Operations Manager via [footballops@westernpridefc.com.au](mailto:footballops@westernpridefc.com.au)
