Club Statement on National Premier League Woman's Withdrawal

Western Pride Football Club has officially notified Football Queensland (FQ) of the withdrawal of its Senior Women's team from the National Premier Leagues (NPL) Women's Queensland competition for the remainder of the 2020 season.

The club will continue to field Under 18, Under 15 and Under 13 teams in 2020, and remains committed to the NPL Women's program.

While it is disappointing to make this decision as a club, we will continue to develop quality players for the future through our Under 18, Under 15 and Under 13 development programs, which will remain unaffected by this change.

We are hopeful the Under 18 program will form the foundation of a Senior Women's program.

Western Pride Football Club will work closely with FQ over the next 12 months to ensure the best outcomes for the club's women's football program.
