

Next Step Opportunities

Bring Live2Lead to Your Organization

- The powerful lessons of Live2Lead can create greater self-awareness within your team and motivate team members to higher levels of performance. Book a private in-person or virtual showing of Live2Lead content for your team. Between now and February 28, 2025, we can arrange a private showing of any Live2Lead content with you and your team.
 - 1-3 Speakers - \$600
 - 4-5 Speakers - \$1000
 - 6-8 Speakers - \$1500

LIVE2LEAD

Maxwell Leadership Development Opportunities

- Our one-day workshops on leadership employ paradigm-shifting leadership principles to create catalytic events that energize team members and provide them with a day of meaningful learning. Our mastermind groups (a series of 60-minute sessions spread over multiple weeks/months) provide regular reinforcement and a deeper dive into leadership for small teams within an organization. Book a one-day workshop or a mastermind group for your team utilizing one of the following Maxwell Leadership learning systems:
 - The 21 Irrefutable Laws of Leadership
 - High Road Leadership
 - Leadership Gold
 - The 15 Invaluable Laws of Growth
 - Everyone Communicates, Few Connect
 - Developing the Leader Within You 2.0
 - Developing the Leaders Around You
 - Leadershift
- One-day workshops - \$3000 plus materials fees
- Mastermind group - \$4000 plus materials fees (eight 60-minute sessions)

Teambuilding Opportunities

- Our teambuilding workshops provide participants with a better understanding of their own personality and working style as well as those of their teammates. Utilizing a combination of online personal assessments and in-person 2- to 4-hour workshops, they improve collaboration and communication within your organization utilizing the following systems:
 - True Colors Personality Systems
 - DISC Personality Systems
 - The Six Types of Working Genius
- Workshop fees - \$2000 (\$1800 for nonprofits)
- Online Personal Assessments/Materials - \$20-\$50/person

Personal Coaching

- Coaching is about many things. However, principally it is about change. It is about developing emotional intelligence and conscious awareness. Personal coaching is about the marriage of a person's potential with performance. The context is to allow people to learn rather than teach them.
- Coaching sessions can be conducted in-person or virtually.
- Six-month coaching agreement (Twelve 60-minute sessions) - \$2700
- One-year coaching agreement (Twenty-four 60-minute sessions) - \$4800

NOTE: Depending on your location, travel expenses may be added to the cost of any Live2Lead private showing, workshop, mastermind series, or coaching agreement. Pricing effective as of October 31, 2024.
