

Choose the Right Level of Support

Founder services are limited to **4 total families** per school year.

A guided pathway to help you find the best fit for your student and your family.

Tutoring Services

ASSOCIATE-TUTOR LED SUPPORT

1

Classic Tutoring

- Best fit:** students who need help in a specific subject
- Summary:** diagnostic subject tutoring to strengthen skills, close content gaps, and build confidence
- Frequency:** 75-minute home visits, 1x or 2x weekly
- Price:** \$400–\$500 per 4-session package

2

Executive Function Tutoring

- Best fit:** bright but scattered students who need both academic help and systems support
- Summary:** 8-week EF + academic program covering planning, organization, study routines, assignment tracking, and missing-work recovery
- Frequency:** 75-minute home visits, 1x or 2x weekly
- Price:** \$1,000 or \$2,000 per 8-week program

Associate-tutor led: delivered by our trusted team of expert tutors.

Founder Services

FOUNDER-LED, HIGH-TOUCH SUPPORT

1

Intake Evaluation

- Best fit:** families who need clarity before choosing support
- Summary:** one-time educational review to understand skill gaps, executive-function needs, and next steps
- Price:** \$750

2

Family Bridge Program

- Best fit:** families who need more than tutoring but not the full white-glove model
- Summary:** founder-led support for academic planning, parent strategy, executive-function coaching, and direct student help
- Access:** up to 75 founder-support hours per school year
- Price:** \$15,000

★ Founding access: first 2 families

3

White-Glove Academic Management

- Best fit:** families who want the highest level of founder involvement and academic oversight
- Summary:** full founder-led academic management with direct support, parent strategy, customized planning, and intake evaluation included
- Access:** up to 100 founder-support hours per school year
- Price:** \$20,000

🔒 Limited to 2 students

Founder-led: delivered personally by the founder for maximum impact and oversight.
