In winter, the Earth is farther away from the sun

It is summer because the sun is hotter

Why do the seasons change?

Seasons are the same everywhere

Winter is cloudier so the sun's warmth is blocked

Problem or Issue

During group projects, I always pick my two best friends to work with. We have never finished a social studies project together.

Positive Action

I can work with people that I know less well.

Best Guess Outcome

I will finish projects

Best Guess Outcome

My grade will go up in social studies

Negative Action

I keep picking my friends to work with.

Best Guess Outcome

I will have a lot of fun and have friends

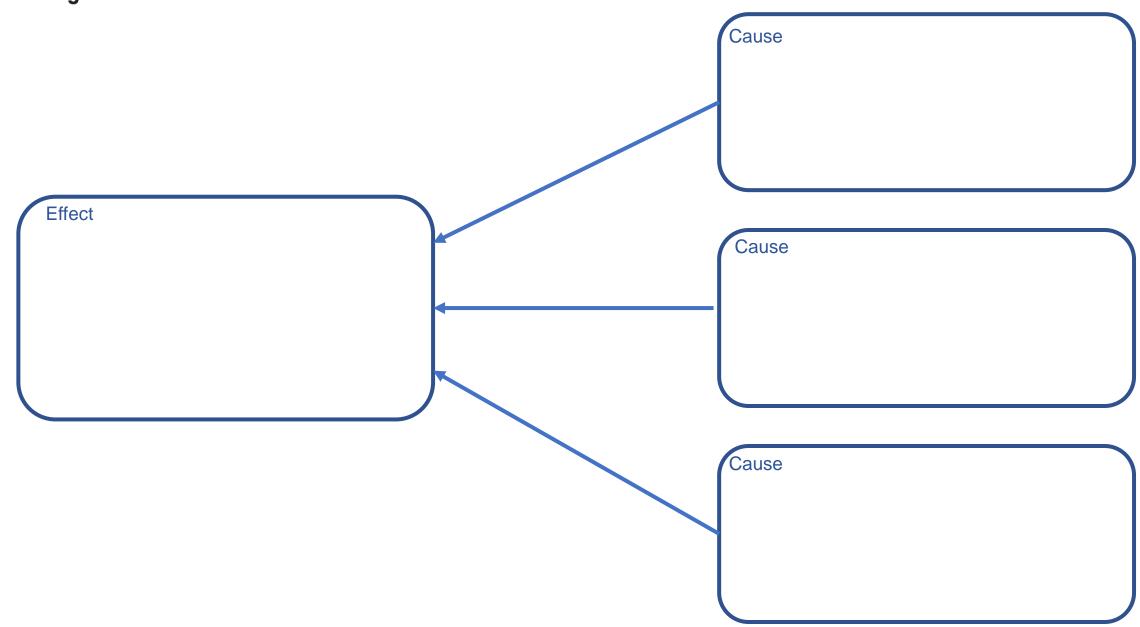

Best Guess Outcome

I might fail social studies

Single Effect, Many Causes
