Do you have a neighbor who goes the extra mile for the residents of your street, your neighborhood, or for the community? The Neighbor of the Quarter recognition program gives you the opportunity to recognize those individuals for their acts of good will and call attention in a positive way to the benefits of being a good neighbor. Your neighbor can be any age or background; he or she may be a youth, a teenager, a senior citizen, a longtime resident, or a newcomer that makes a positive difference in Covington Woods.. Whether known by everyone in the neighborhood or an unsung hero, your good neighbor is a person who does special things to make our community a better place.

Feel free to send a message to Martha Bravo

Three additional homes will be chosen every month and will be awarded with a Brite Spot sign placed in their front lawn all month long, as well as receive a small gift of appreciation.

**Water Polo & Beyond 2022**

Hello Swim and Water Polo Families,  
 What a hot, super exciting, busy summer at the Covington Woods Pool. The Stingrays had a tremendous season as a brand-new D-1 team, leaving parents happy but exhausted with soaring temps and fast times!!

Next came our brand-new water polo program at the pool every morning, until the end of July. I realized once we started up that we were competing with vacations planned for many, and some families wanted a break!!

So, CW summer morning polo was pleased to have the chance to launch water polo as a pioneer program, joining the newest official sport in Texas High School history. More than 192 teams started August 1, 2022, with Fort Bend teams competing at Don Cook and FBISD pools! Our belief is that as the excitement to play for your high school team grows, so will the motivation and interest to learn a new sport, especially after your children spend so many dedicated hours already in the pool!

We teach children from age 6 to 14, with our fundamental qualification being the ability to swim one pool length! We instruct and coach shooting, passing, swimming with the ball, treading water, all while having fun as a team sport!

Many thanks to the Covington Woods pool and families who joined us and became part of water polo in Texas. Please review the link below from Fort Bend Aquatics Club Crocodiles to see the programs we offer once school starts back and your children want to get back in the water!!

Thanks,  
 Coach Flood
