One City...One Community...One PRIDE!!

San Antonio, Texas (May 9, 2022): Pride San Antonio, producer of Pride Bigger Than Texas Parade and Festival-San Antonio's OFFICIAL Pride Celebration announces Pride Week San Antonio. Pride Week San Antonio is a gathering of the equality-minded San Antonio metropolitan community to celebrate and promote hope and awareness of equality and diversity through a cavalcade of events designed to recognize, accept, and celebrate the differences and contributions of the LGBTQIA community. The mission of Pride Week San Antonio is to harness the PROUD spirit of equality-minded residents of the San Antonio metropolitan area collaboratively to facilitate the needs of individuals so that individuals can facilitate the needs of a community in an effort to commemorate Pride Bigger Than Texas-the San Antonio Official First Amendment PRIDE celebration.

Pride Week San Antonio represents the embodiment of ideologies of trailblazers such as Harvey Milk aspirations of "hope" and Audre Lorde's "celebrate diversity". And Pride Week San Antonio reflects the words of local activist Carlos Vela, to "facilitate the needs of individuals so that individuals can facilitate the needs of a community." Pride Week San Antonio resonates the positively from the history of the San Antonio LGBT Community to become One City...One Community...One PRIDE!!
