Standard Features

The Cardinal Indoor straight stair lift include the following as standard.

Retractable Seatbelt

It's adjustable and easy to use, just like a car seatbelt. This gives you the best comfort and safety possible when riding the stair lift.

Comfort and Control

The soft start/stop function is enhanced by the complete comfort of the padded seat, backrest and ergonomic controls to create a smooth ride.

Remote Controlled

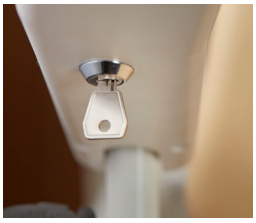
For convenience, two remote controls are supplied. The stair lift can be called up the staircase when not in use by the remote control.

Manual Swivel Seat

Tilting the lever makes it easy and safe getting on and off the stair lift when it reaches the top of the stairs.

Smart Display

Simple, clean and clear digital display for easily understanding the status of the stair lift.



Locking Keys

For added safety and to prevent unwanted operation, two keys are included for locking the stair lift.

Color Options

The Cardinal Indoor has a variety of vinyl seat covers to choose from to match your style and home.

Blue | Brown | Grey | Beige | Red

Optional Feature: *the Cardinal Outdoor*

Upgrade your Cardinal Indoor stair lift to handle the outdoors with an outdoor kit which includes upgraded weather-resistant components and protective cover.
