Did You Know?

The lyrics for the "Twelve Days of Christmas" *are rumored to be* a code for Catholics to be able to remember their religious beliefs when they were banned in England.

What did the "two turtle doves" represent?

The Old and New Testaments of the Bible.

The "four calling birds"?

The four Gospels, Matthew, Mark, Luke & John.

The "twelve drummers drumming"?

The 12 points of doctrine in the Apostle's

Creed.

Finally, "My True Love", who sent these?

God, the Father who sent his only Son for our salvation.

The rumor is not true!

St. Baldrick's Fund Raiser

It's that time of year again and we're kicking off our 2020 effort to fight childhood cancer by raising funds through the annual St. Baldrick's head-

shaving event on Sunday, March 8th at Miller's Long Island Ale House in Commack. Did you know that kids' cancers are different from adult cancers? It's true. And childhood cancer research is extremely underfunded.

Thank you so much for your support in the past! Your donations have enabled the foundation to fund over \$282 million in grants, allowing the foundation to fund more in childhood cancer research grants than any organization except the U.S. government. Every grant goes through a rigorous scientific review process, ensuring every dollar has the greatest possible impact for children with cancer.

We need your help now! Will you make a donation? Every dollar makes a difference for the thousands of infants, children, teens, and young adults fighting childhood cancers. Last year our Knights of Columbus team raised over \$4,628 and all together over the last 13 years we have raised over \$100,000 to fund cancer research! The quickest way to make your donation is to visit my St. Baldrick's website at https://www.stbaldricks.org/participants/BobSlingo and make your donation in any amount now. Or you may download the attached donation form complete it and mail it to me along with your check made out to "St. Baldrick's Foundation" at 12 Graystone Drive, East Northport, NY 11731. (Please note my ID # 1043026 in the memo section of your check.)

All of us have been touched by this disease and your support over the years has led to unbelievable breakthroughs in cancer research. When you make your donation, please remember to honor someone you know who may have been stricken with this dread disease.

You may also like to join our Fr. Thomas A. Judge K of C team as a "shavee", please visit our team website at

and click on "Join Us". Everyone is welcome to join our K of C team (spouses, children, etc.). Thank you & God bless!

What Will You Be Doing During LENT This Year?

March for Life - Friday, January 24, 2020 A Great Day for Life!

Thousands and thousands of supporters of life on buses from all over our nation (and Canada too) converged on our nation's Capitol on Friday, January 24th to support life and see a sitting president (President Donald J. Trump) address the record crowd live and in person! This year's theme was "Life Empower: Pro-life is Pro-Woman."

St. Anthony's bus included over 50 parishioners, Fr. Judge brother Knights and Sisters from St. Joseph's Adult Home in Greenlawn (see photos). Brother knight Bob Slingo said "In all the years attending the March for Life I've never seen so many people turn out ... particularly young people!"

The trip was planned and organized by our parish's Respect Life Coordinator, Marianne Wright who as usual made sure everyone got there and back home safely on the bus ... and had plenty of snacks & drinks! Marianne particularly thanks Msgr. Mirro for providing the bus and the Fr. Thomas A. Judge K of C Council for the snacks & drinks.

Knights of Columbus InsuranceWays to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

We have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values and the potential to earn dividends (which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance — permanent life insurance — and only paying one single premium? It's possible. To learn more about these products, our long-term care insurance, disability income or retirement products, please contact our Council's Insurance agent.

Contact me today to learn more about our products.

Love is in the air! We spend a lot of time thinking about our loved ones during the month of February and on Valentine's Day. Technically, it's St. Valentine's Day, originally the feast day of a Roman saint from the third century. We do know that St. Valentine was martyred on February 14. But how did St. Valentine, a martyr, come to be associated with love and romance? One popular story is that he cured the blind daughter of his jailer. Before he was led off to his death, he wrote her a note and signed it "Your Valentine."

Unlike St. Valentine, most of us are not called to martyrdom, but we do think about our loved ones... and we write love notes and greeting cards. Gifts are commonly given to the ones we love. But have you ever considered some special gifts for the ones you love?

That's really what insurance is all about. People buy insurance because they love someone. I bought life insurance because I love my wife and children. If I'm not here to provide for them I want to make sure they can stay in the same home we love; I want to make sure that my children will have the college education they will need; I want my family to continue to live the lifestyle I've been so fortunate to be able to provide. My policy even has living benefits that I can enjoy!

I want to make sure that if I am sick or hurt and

can't work, my family still has money coming in to pay the bills. Disability Income Insurance helps provide for that.

I've been able to provide a lifestyle for my family, but sometime down the road, I'll take the assets I've accumulated and retire. Long Term Care Insurance helps me protect those assets in case I have an extended care event. I won't have to spend down all that I've saved to pay for care...I've shifted that risk to the Knights. My retirement annuities will help my wife and me enjoy our golden years. With a lifetime minimum interest rate guarantee I know I'll always be in the black with my account.

All the products we have available are centered around protection; protection for me, for my family and for what I've been able save. Is your protection where you want it to be for your loved ones? At this Valentine's Day, let's sit down; you, me and your wife and see where you stand. Make sure you have insured your love. Go ahead and buy that greeting card, write her a love note...maybe even get a beautiful arrangement of flowers or a dozen roses. But remember, the gift of protection will be there when it's needed most.

Vivat Jesus!
