Grand Knight's Message, September 2022 Knight Light

My Brother Knights, friends and family,

On Monday, September 5th the country celebrates Labor Day and as we reach the "unofficial" end of summer our thoughts turn to cooler weather, falling leaves and a return to school. I ask that we keep in mind and pray that all the students, teachers, aides and all those who work to make our schools run have a safe and healthy school year.

I also ask that we continue to remember and pray for all who lost their lives, and for their families, due to the horrific attack on the World Trade Center and Pentagon on September 11, 2001.

On August 6th, we held a Charity, Unity and Fraternity Exemplification. As a result, our council family grew and we welcomed 3 new brothers. All three are active in our Church and community. Two were recent volunteers at the Feast and they joined as they signed up for the Feast. The third is a son of a Brother Knight who transitioned from Squire to Knight. Join me in welcoming them.

On August 15th, at the council business meeting, the membership voted to approve the resolution to make a \$10,000 donation, for a "mini-tree", as part of St. Anthony of Padua's Giving Tree Program. This demonstrates "What Knights do", love and support for our Church and community. This will help our Pastor, Father Ed Sheridan, plan and keep necessary programs, and to maintain the general health of the Parish. Brothers, Thank you!

The East Northport Festival at John Walsh Memorial Park will be September 9th through September 11th. Volunteers are needed to sell C&B Books on September 10th and 11th. A good time to recruit new members. Please contact myself or John Mahon (see page 2 of the Knight Light for contacts #s).

On Saturday, September 10th, following the 5PM Mass, we will hold our Officers' Installation. This will be held in the lower church following the Mass. Our District Deputy Bill Murphy will install your new officers for the upcoming 2022-23 Columbian Year. Please feel free to attend. It is a relatively short and nice ceremony with a repast to follow.

On Monday, September 12th, we are honoring Anastasios Tsakos, fallen NYC Police Officer, who died in the line of duty in April 2021. He and his family are residents of East Northport. Please, if you can, support this worthy endeavor..

Again, to all the Brothers, Sisters and families of the Father Judge Family, thank you!

Vivat Jesus!

Ways to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

We have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values and the potential to earn dividends (which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance — permanent life insurance — and only paying one single premium? It's possible. To learn more about these products, our long-term care insurance, disability income or retirement products, please contact our Council's Insurance agent.

Spring is here, we have a new season and after a blessed Easter, it's time to start planning again. With spring and the break in the weather, I've started to put together my honey-do list that will take me outside into the sunshine...at least I hope it's going to be sunny when I get outdoors to do all these chores. I don't know about you, but this time of year seems to energize me. After being cooped up all winter, and this year really being cooped up, I've been able to think of all the things I need to get done. Some of that includes physical repairs around the house, getting the lawn and flowerbeds ready to go, maybe even washing some windows.

Now when you get outside to get that work done, please, please be careful! I'm reminded of an acquaintance who was up on a ladder in the spring. The ladder slipped, he sustained two broken arms! Out of commission for quite a while. But there are many hazards that can put you out of commission...and that brings me to the important part of my message this month. Protecting your greatest asset!

Your greatest asset is your ability to work and earn an income! Take your annual income (probably fresh in your mind with tax filing day extended into May) and multiply it times your remaining years of working. A 35 year old making \$100,000 a year will earn \$3 million in the next 30 years...if he never gets another raise! So you have lots to protect. But what if you're sick or hurt and can't work. Maybe it's something simple like the gent above...a set of broken arms. But one of my members laid his motorcycle down on his leg...off from work for two years! That's a lot of house payments to miss. Luckily, his disability income policy came to the rescue. It can happen to any one of us.

A 2014 CDA Long-Term Disability Claims Review states: More than 1 in 4 of today's 20 year-olds will become disabled before they retire, 76% of us live paycheck to paycheck; less than 5% of all disabling accidents and illnesses are work related. That means 95% of those are not covered by Worker's Compensation. You're on your own 95% of the time. Turn to Social Security; but Social Security's report on SSDI says that only about 40% of applicants are awarded benefits. Couple that with 69% of the private sector workforce having no long-term disability income insurance and it's no wonder disabilities are the #1 cause of mortgage foreclosures.

So what to do? Let's get together and find out. Do you need disability income insurance? If so, how much? Maybe you have some at work...is it enough? Is it taxable? Is it the right kind? Let me suggest you put your mind and your family's mind at ease. Life is unpredictable, pandemic or not. Let's plan for the worst...but expect the best. We can't see what the future will bring, I'm here to help you plan for the unexpected. Let's make sure that if you or your spouse are sick or hurt and can't work, that your family can stay in the home you've provided, pay the utilities, buy groceries...make sure the basics are covered.

Meanwhile, stay safe and healthy.

Vivat Jesu!
