

**Let's discuss the future of  
South Kitsap School District facilities**

# *Facilities Forum*

June 15 at 6:00 PM  
Cedar Heights Middle School  
2220 Pottery Avenue, Port Orchard

The South Kitsap community is invited to learn about the work of the Long Range Facility Planning Committee and the improvement needs at all district sites.

The School Board is seeking input from the community as they listen, learn, and revise the facility rebuilding plan. This event is an opportunity to provide feedback in the preliminary development of a comprehensive ballot measure to address facility needs.

#### Event Agenda

- Presentation of Facility Planning Committee work
- Breakout groups for general discussion and more details on high school, elementary, and middle school sites
- Site tour
- Multiple opportunities to share feedback and input

This is an in-person event. The presentation will be available following the event.
