

REBUILDING SOUTH KITSAP SCHOOLS

Community Events

You're invited to listen, learn, and share feedback about the highest priority school sites in the South Kitsap School District rebuilding plan.

Cedar Heights Middle School, Olalla Elementary, and South Colby Elementary are identified for replacement using local school bond and state funding dollars. The events below will have the same format including a presentation, time for discussion, and opportunities to share input. Please attend a date and location that works best for you!
