Directors:

Whereas you are the responsible parties for the establishment and approval of curriculum you are now being asked to respond.

From the district's system of records please identify with a number only (e.g. 125) how many mentally ill administrators, teachers, other district employees, and students are currently listed as being in any/all of the following groups;

XLGBTQ and any other groups that I failed to list.

Thank you,  
Larry Mann
