**Trying to make this easy and streamlined. Thanks!**

**Questions for board members Wilson, Berg, Espy, in that order please.**

- To board members Wilson Berg, Espy why didn't the public get the opportunity to be engaged in public meeting with board prior to board awarding pool contract?

- To board members Wilson, Berg, Espy why didn't the board wait till after the forum before accepting the lowest bid on the pool project

- To board members Wilson, Berg, Espy will you consider having the chosen contractor start the pool project after the community gets a chance to weigh in on the costs and essentials of the project?

- To board members Wilson, Berg, Espy did you view and study the scope of work/proposals submitted by all six bidders prior to award of the pool contract.

- To board members Wilson, Berg, Espy why did you approve using the same bidder that ran the science lab rooms rehab project over budget by more than \$500,000.
