

SPEAKER REQUEST FORM

The Professional Women of Flagler County has numerous activities, seminars, webinars, and events throughout the year that use speakers.

Speaking at a PWFC event is a perfect opportunity to share your expertise and wisdom to an extraordinary community of business owners and leaders.

All presenters must respect our no-sales-pitch policy; we do welcome business leaders sharing their insights, strategies, professional expertise and personal stories, with the businesses community.

The Speaker program gives PWFC Members the opportunity to showcase their business to the PWFC membership. All funds collected from this opportunity go directly to the PWFC Grant Program.
