**AI Integrators Council Applauds the Release of President Trump's AI Action Plan**  
*Council looks forward to working with the Trump Administration on implementation of AI Action Plan*

**WASHINGTON, DC**, July 23, 2025 – The AI Integrators Council (AIIC) applauds the release of President Trump's AI Action Plan, and the Administration's efforts to provide regulatory clarity for artificial intelligence technologies.

The AIIC appreciates the Administration's focus on fostering American innovation and ensuring the United States maintains its global leadership in AI. The Council believes that clear, consistent, regulatory frameworks that distinctly recognize all the roles in the AI value chain are essential for promoting responsible AI development, integration, and deployment.

"This AI Action Plan represents a critical step towards achieving responsible and safe AI, and the AIIC looks forward to collaborating with the Administration to ensure AI Integrators are properly recognized throughout its implementation," said Wes McClelland, Executive Director, AI Integrators Council.

The AIIC serves as the primary voice for leading companies working to integrate artificial intelligence into systems, platforms, and applications. The Council is made up of leading AI companies including Alteryx, Atlassian, Box, Cognizant, DocuSign, Peraton, SAIC, Salesforce, and Twilio.
