

DIRECTIONS FOR USE

(Shake Well Before Using)

HERBICIDES (PRE- AND POSTEMERGENCE)

SurThrive™ may be used with most preemergence and postemergence herbicides. Use SurThrive™ any time a nonionic surfactant or spreader/activator is recommended on the herbicide label. Use **3.2 fluid ounces per acre** (unless otherwise directed on the herbicide label).

FUNGICIDES, INSECTICIDES, ACARICIDES

SurThrive™ may be used at a rate of **3.2 fluid ounces per acre** to enhance the wetting characteristics of fungicide, insecticide, or acaricide applications.

DEFOLIANTS

(Use with magnesium and sodium chlorate and with chlorate/borate defoliant, herbicides, and plant growth regulators.) SurThrive™ should be applied at a rate of **3.2 fluid ounces per acre**.

FOLIAR NUTRIENT APPLICATIONS

SurThrive™ may be applied with foliar nutrient products at the rate recommended on the foliar nutrient label, typically at a rate of **3.2 fluid ounces per acre**.

STORAGE & DISPOSAL

Store product in the original container. Do not store near heat or open flame. Do not reuse the container. Do not contaminate water, food, or feed by storage or disposal. Store in a cool, dry place away from oxidizing agents. Keep packaging closed, securely fastened, and upright. Store above 32°F. Shelf life is 2 years.

Triple rinse (or equivalent) prior to disposal. Add rinsate to the spray tank. Offer a container for recycling or disposing of in accordance with all applicable regulations. If burned, stay out of smoke.

PREMIUM NONIONIC SURFACTANT

PLUS Proprietary Plant-Derived Extract

Proprietary Blend of Nonionic Surfactant and Plant-Derived Extract

Advanced Spray Performance + Coverage

General Information

SurThrive™ is a premium nonionic surfactant enhanced with a proprietary plant-derived extract. SurThrive™ improves spray coverage, droplet spread, and canopy penetration, and helps maintain consistent spray performance during intensive application programs and under challenging spray conditions such as high heat and low humidity. SurThrive™ is designed for use with postemergence and preemergence herbicides, fungicides, insecticides, defoliant, and foliar nutrient applications in cotton, soybeans, corn, and other row crops.

CAUSES MODERATE EYE IRRITATION
HARMFUL IF SWALLOWED
KEEP OUT OF REACH OF CHILDREN

Precautionary Statements

Read the label before use. Wear protective face and eyewear, clothing, and gloves. If medical advice is needed, have the product container or label at hand. Avoid contact with eyes, skin, or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reusing. Wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet. See Safety Data Sheet for further details regarding the safe use of this product.

First Aid

IF SWALLOWED: Call poison center or doctor/physician if feeling ill. Never give anything by mouth to an unconscious person.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. If irritation persists, get medical attention.

IF ON SKIN: Wash with soap and water.

IF INHALED: Move person to fresh air. If not breathing, call 911 and give artificial respiration. Call the poison control center or a doctor for treatment advice.

Net Contents: 2.5 Gallons (Treats approx. 100 acres at 3.2 fl. oz. per acre)

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms – By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

Warranty Disclaimers – TPG AgriScience, LLC and seller (collectively “Vendors”) warrant that this product conforms to the chemical description on the label. This product is sold “as is” AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Inherent Risks – The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

Limitations of Liability – To the extent consistent with applicable law, buyer or user’s exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
