what we will learn

Language Arts

We will continue our reading time and try to summarize what we learned from our stories. At the end of the week, we will write short paragraphs.

Mathematics

Multiplying single and double digits. We will work on simple equations. We will also practice finding patterns in sequences.

Arts and Science

This week we will learn about the water cycle through experiments. We will also create an art project illustrating what we learned.

today's art project

Autumn Animals

Today we will be creating autumn animals with our art supplies.

You will cut construction paper to create feathers and leaves. You will then glue those shapes onto paper to create an autumn animal.

Use your imagination to find fun and creative ways to use the supplies.

- **Markers**
- **Glue**
- **Construction paper**
- **Crayons**
- **Scissors**
- **Shape templates**
