President Updates

Active Membership Perks

- The last day to earn points for active membership this semester is **April 10th**
- After this deadline, all active members will be added to a separate GroupMe to sign up for the events below:
 - **Sheep Brain Dissection**
 - April 16th at 5 pm
 - **Tour of the McKnight Brain Institute**
 - Date + Time TBA

President Updates

Lab Tech position

- The Dale Lab at UF is hiring a lab technician to start this summer or possibly next fall! The lab studies how epidural stimulation affects breathing after cervical spinal cord injuries.
- Requirements:
 - Prior lab experience required
 - Full-time position (ideal for students taking a gap year before grad school)
- If you're interested, please send your resume/CV to ericadale@ufl.edu.
 - (I've been a part of this lab for the past year and a half, and I absolutely love it! If you have any questions, feel free to email me (caitlinbrennan@ufl.edu) or reach out to me on GroupMe)

President Updates

Graduation Cords

- Please fill out this [form](#) if you are graduating this semester and would like a neuro club graduation cord!
- You can pick it up at our next GBM :)

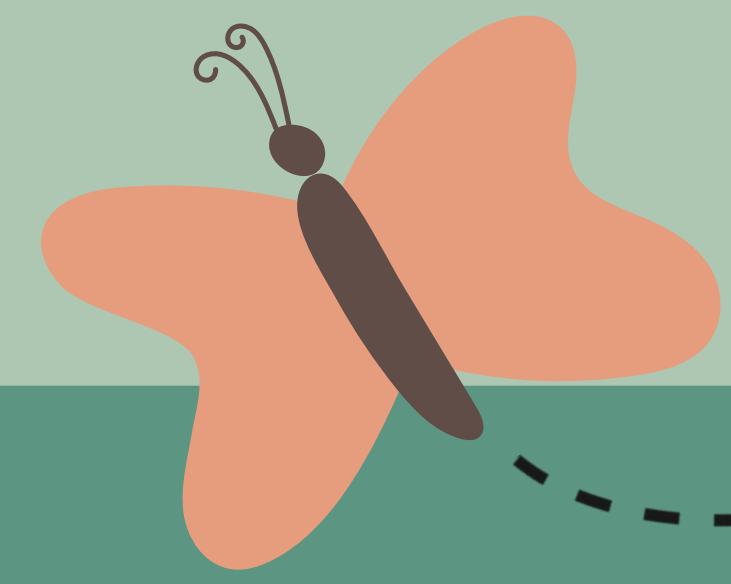

President Updates

Universal Point Opportunity

- **What:** Attend either of the following events and send a photo of yourself at the event to caitlinbrennan@ufl.edu to earn 1 Universal Point:

Officer Elections for 2025-2026

- At our final GBM on April 10th (7-8 PM), we will be electing next year's officers!
- **Requirements to Run:**
 - Must be an active member in Spring 2025 ([Check your points here](#)).
 - Submit your application by April 8th ([Link to application](#)).
 - Give a speech/ presentation (max 5 min) on why you're a good fit and your goals for the role
- **Available Positions:** President, Internal Vice President, External Vice President, Treasurer, and Secretary (chair positions will open next fall!)
- Even if you're not running, come vote for your future officers! **Members who attend just to vote will receive 1 GBM point for attending and 1 universal point for voting.** Everyone present, including candidates, can vote.

President Responsibilities

- **Merchandise:** Design and coordinate the production of club merchandise
- **Newsletter:** Create the semesterly template and edit the biweekly newsletters
- **Professional Development/ Research Events:** Collaborate with the Research/Professional Development Chair to plan and execute events, including panels and workshops with the NCF SfN
- **Active Membership Perks:** Coordinate active members perks such as the sheep brain dissection and MBI tour
- **Partnerships:**
 - Serve as the primary liaison with the NCF SfN and the MBI
 - Act as the main point of contact for the club, including communication with PIs and graduate students seeking undergraduate research assistants
- **Internal role:**
 - Lead executive board meetings and oversee the officer election process
 - Mentor and support executive board members and committee chairs in planning events and executing initiatives
- Please email me or reach out to me on GroupMe if you have any questions!

IVP Responsibilities

GBM Coordinator

- Book all General Body Meeting Rooms
- Reach out to potential General Body Meeting Speakers both on and off campus including clinical and research-based neuroscience professionals

Social Coordinator

- Plan, budget for and lead about 2 social events a month
- Assist in coordinating and planning 2 social events in each Science of Fear week (SOFW) in the fall and Brain Awareness week (BAW) in the spring
- Lead chair applications in the fall, including organizing application materials, questions, and interviewing candidates

Peer Mentorship Program Coordinator

- Coordinate mentorship program applications, PMP week events, mentorship matching, and PMP exclusive events, (about 2 social events a month)

Reach out if you have any questions!

EVP Responsibilities

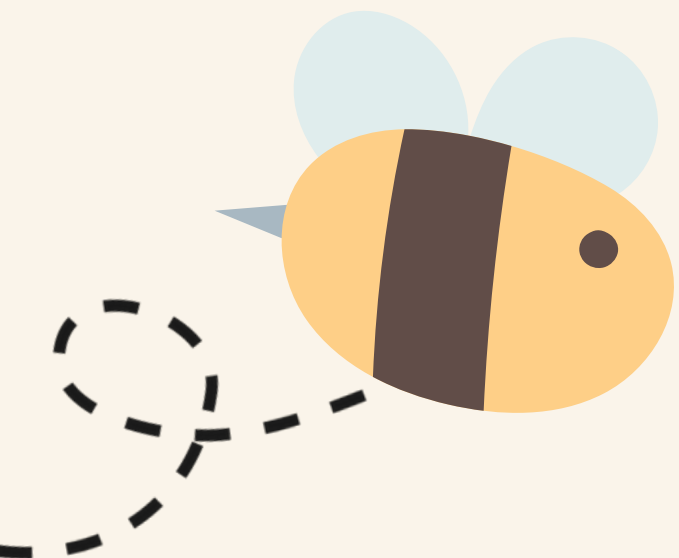

- Responsible for planning all outreach events
 - About 4 events a month!
 - This includes both on and off campus events
 - Reach out to local businesses and orgs. to collaborate on events (such as Gainesville Giving Garden, Project Downtown, A Reason to Give, etc.)
 - Also coordinate places we may donate crafts/goods
- Plan tabling + make board + flyers each semester
- Coordinate and plan Science of Fear week (SOFW) in the fall and Brain Awareness week (BAW) in the spring (5 events in 1 week for both!)
 - Create applications, select members, and then lead both the SOFW and BAW committees
- Plan both the Fall and Spring Banquets
- Don't hesitate to reach out to me on GroupMe if you have any further questions!!

Treasurer Responsibilities

- Submitting SARs/club fund requests to student government
- Requesting the semesterly budget
- Managing club finances
- Collaborating with fundraising chair to plan events

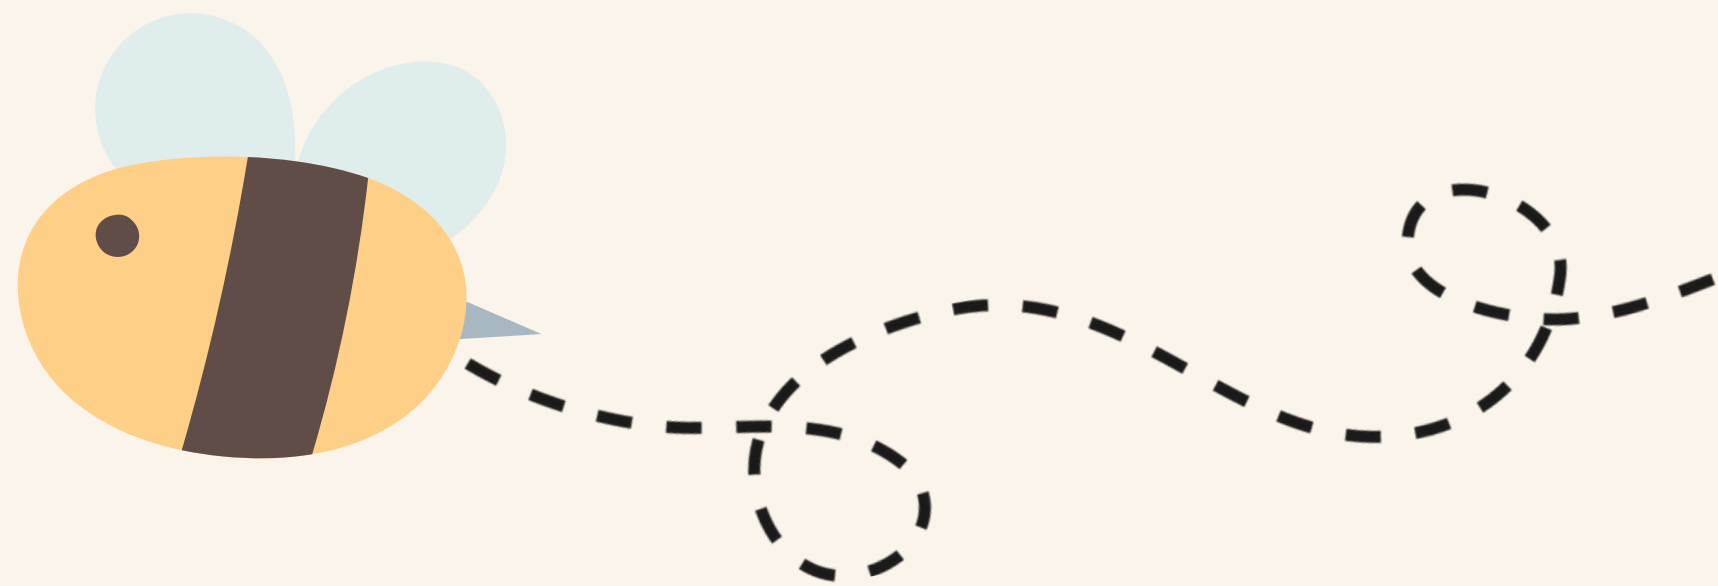

Secretary Responsibilities

- Communication within the executive board
 - Create and manage meeting minutes, create and manage General Body Meeting Slides, direct collaborations to respected officers to further outside engagement, ensure responsibilities of officers and board members, and work alongside chairs to ensure effective communication
 - Leading chair
- Communication within The Neuroscience Club
 - Create and manage the points system for members, answer members' questions regarding events and points, manage communication about events, and increase involvement for events
- Communication beyond The Neuroscience Club
 - Increase engagement for The Neuroscience Club and its events, govern and manage social media platforms, generate promotion for events, and manage the overall image and aesthetics of The Neuroscience Club
- Please reach out with any questions!

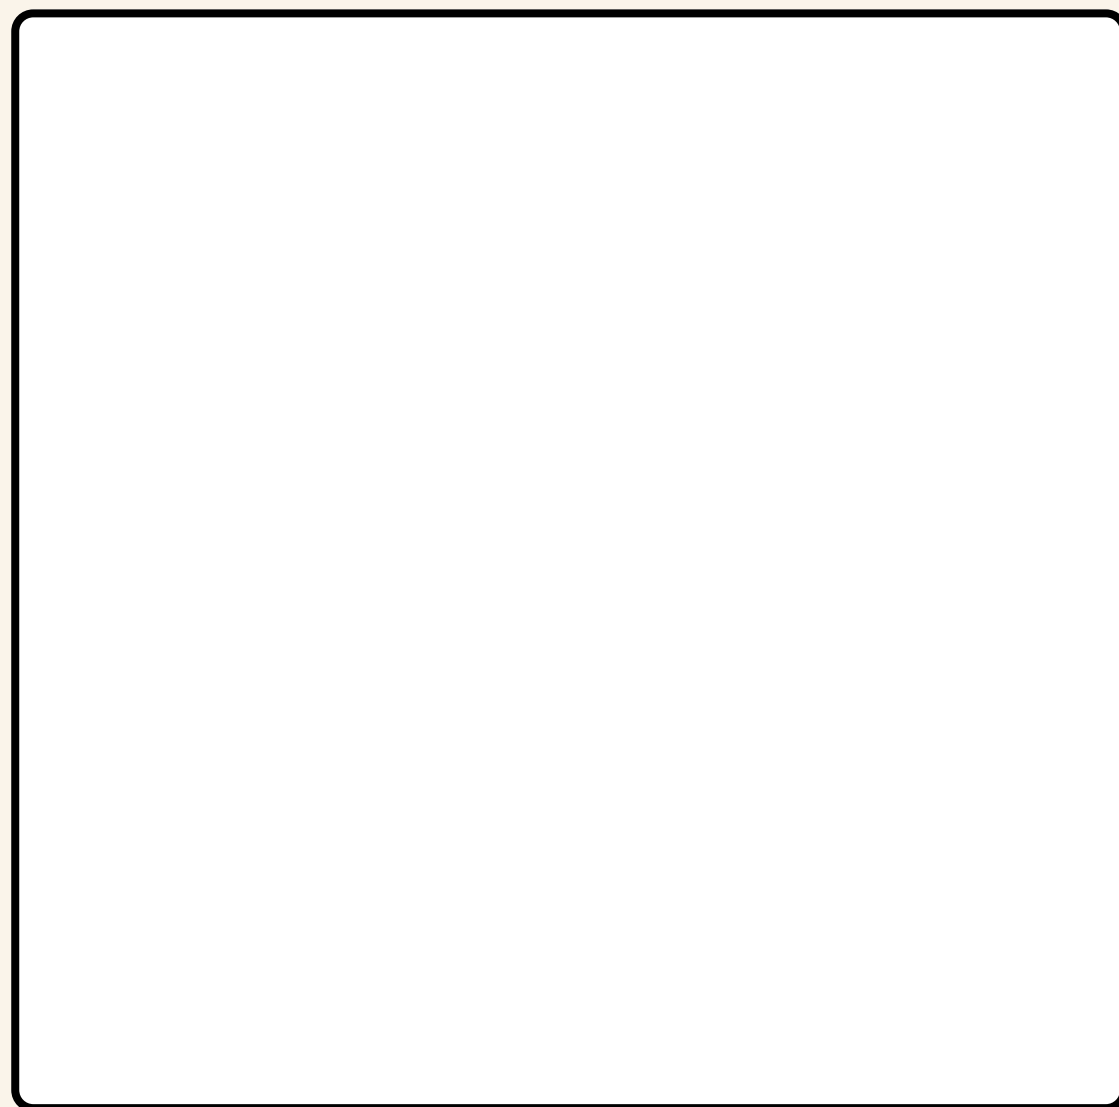

Joshua

Gertler!
